FOR COMMANDERS, STORYTELLERS, & RECORD KEEPERS

CHRONOLOGY OF THE UNIVERSE

ARTICLE I

PRE-RECORD ERA (PRE XII - 0000)

THE UNMEASURED SILENCE

BEFORE CALENDARS, EMPIRES, OR BALANCE, CIVILIZATION ROSE AND FELL IN FORGOTTEN CYCLES ACROSS SOL AND LUNA. PROTO-HUMANS, HYBRID INTELLIGENCES, AND THE EARLIEST AETHER PHENOMENA EMERGED AMID REPEATED COLLAPSE. DURING THIS AGE, THE FIRST ETHRENARI PRESERVED FRAGMENTS OF LOST KNOWLEDGE, AND THE CONCEPT OF HISTORICAL RECORD WAS BORN FROM HUMANITY'S STRUGGLE AGAINST FORGETTING.

EON OF ANCIENT DAWN (XII-0000 - XII-2344A)

FROM SILENCE TO REMEMBRANCE

HUMANITY REBUILT AFTER THE ORBITAL WINTERS, ONLY TO WITNESS THE DESTRUCTION OF EARTH AND THE RISE OF MARS AS THE CENTER OF CIVILIZATION. THE ETHRENARI ARCHIVORA ORDER WAS FOUNDED TO PRESERVE TRUTH AND HISTORY, WHILE THE GRADARI MIRERIS MONARCHY UNIFIED MARS AND ITS COLONIES. THE ERA CONCLUDED WITH THE FIRST CODEX OF AETHERIUM AND THE DECLARATION THAT WOULD SHAPE THE FUTURE: "BALANCE OR EXTINCTION."

THE FORMATION ERA (XII-2345A - XII-5287A)

THE OLD WORLD AND THE FORMATION OF DOCTRINE

DOCTRINE EMERGED AS A FORCE CAPABLE OF SHAPING REALITY ITSELF. THE FIRST BALANCE WAR, THE FOUNDING OF THE CIRCLE OF ACCORD, AND THE RISE OF AETHER-DRIVE TRAVEL TRANSFORMED CIVILIZATION. PROSPERITY AND EXPANSION WERE ULTIMATELY OVERSHADOWED BY DOCTRINAL CONFLICT, CULMINATING IN THE FRACTURING OF ACCORD, THE FIRST RECORDED EVENT IN WHICH DOCTRINE REWROTE MEMORY THROUGH WAR.

THE EXPLORATION ERA (XII-5288A - XII-7454A)

THE EXPANSION INTO THE VOID

THE EMPIRE REACHED BEYOND THE INNER SYSTEM THROUGH ETHRENARI HARMONICS AND LONG-VOID TRAVEL. NEW COLONIES SPREAD ACROSS DOZENS OF SECTORS WHILE QORAK'S CHAIN, THE UNDECLARED EXPANSE, AND COUNTLESS FRONTIER WORLDS WERE CHARTED. THE FIRST PRAETORA EMERGED DURING THIS AGE, WHICH ENDED WITH CONTACT BETWEEN HUMANITY, ANCIENT MACHINE CIVILIZATIONS, AND THE EARLIEST VIRELAC ENCLAVES.

THE FOUNDATIONAL ERA (XII-7455A - XII-8743A)

THE FORGING OF EMPIRE FROM RUIN

SUCCESSIVE BALANCE WARS SHATTERED MUCH OF KNOWN CIVILIZATION AND UNLEASHED DEVASTATING PARADOX STORMS. COMPETING INTERPRETATIONS OF DOCTRINE DIVIDED THE STARS UNTIL EMPERIS KAEUS SAURNETH REUNIFIED HUMANITY UNDER THE GRADARI MIRERIS EMPIRE (XII-8039A). THE TRI-SCALE OF BALANCE WAS ESTABLISHED, DIVIDING AUTHORITY BETWEEN THE PRAETORA, PILEA, AND ETHRENARI, CREATING THE FOUNDATION OF THE MODERN EMPIRE.

ERA OF MEASURED EQUILIBRIUM (XII-8744A - PRESENT)

THE NEW WORLD

THE MODERN AGE IS DEFINED BY THE SUPREMACY OF DOCTRINE AND THE VAST REACH OF IMPERIAL POWER. FLEETS AND DEPHORTI ENFORCE ORDER ACROSS THE GALAXY WHILE THE ETHRENARI MAINTAIN THE COHESION OF REALITY ITSELF. YET REBELLION SPREADS THROUGH THE SPIRAL BLOC, PARADOX CORRUPTION GROWS, AND THE EMPIRE STRUGGLES TO PRESERVE WHAT IT HAS BUILT. THIS AGE IS KNOWN AS THE ERA OF MEASURED EQUILIBRIUM, A PEACE MAINTAINED THROUGH VIGILANCE, SACRIFICE, AND FEAR.

"Time carries all things toward Silence, yet memory resists the current. Thus the Book of Weighing preserves the passage of ages, so that what was, what is, and what shall be may stand together before judgment."

The Book of Weighing, Canticle xi

THE GRADARI MIRERIS EMPIRE

MAP OF THE GALAXY

CONTEXT OF THE UNIVERSE

ARTICLE II

THE NATURE OF DOCTRINE

DOCTRINE IN GRADARI MIRERIS IS NOT BELIEF BUT DESIGN. IT IS A METAPHYSICAL ARCHITECTURE THAT INTENDS AND ENFORCES THE STRUCTURE OF EXISTENCE ITSELF; AN ACTIVE SYNTAX BY WHICH THE UNIVERSE INTERPRETS AND SUSTAINS REALITY. THROUGH ETHRENARI HARMONICS, LANGUAGE, INSCRIPTION, AND RITE, DOCTRINE DEFINES CONTINUITY, GRAVITY, IDENTITY, AND EVEN CONSCIOUSNESS. IT IS NOT A PHILOSOPHY IMPOSED UPON EXISTENCE, BUT ONE OF THE MECHANISMS THROUGH WHICH EXISTENCE FUNCTIONS.

WHEN DOCTRINE FALTERS, REALITY BEGINS TO BLEED. TIME REPEATS ITSELF IN FRACTURED LOOPS, MATTER FORGETS ITS FORM, AND MEMORY DECAYS INTO PARADOX. DOCTRINAL DECAY IS THEREFORE NOT A SPIRITUAL FAILING BUT A FORM OF ONTOLOGICAL EROSION, A GRADUAL UNBINDING OF WORLDS FROM THE SOURCE THAT FIRST GRANTED THEM COHERENCE. ENTIRE CIVILIZATIONS MAY FIND THEMSELVES TRAPPED WITHIN RECURSIVE HISTORIES, WHILE LANDSCAPES BECOME HAUNTED BY ECHOES OF EVENTS THAT NEVER TRULY OCCURRED.

DOCTRINE IS CLOSER TO GOVERNED REALITY THAN IDEOLOGY. EVERY CHANT, SEAL, INSCRIPTION, AND RITE FUNCTIONS AS AN EQUATION WITHIN A COSMIC CODE, A NEGOTIATION WITH THE DEEPER LAWS THAT UNDERPIN EXISTENCE. THESE INTERACTIONS ARE INTERPRETED, WEIGHED, AND PRESERVED BY THE ETHRENARI ARCHIVORA ORDER, WHOSE DUTY IS NOT MERELY TO STUDY DOCTRINE BUT TO SAFEGUARD ITS CONTINUITY. WHEN DOCTRINE IS SEVERED FROM ITS ORIGIN, IT DEGENERATES INTO NOISE: FRAGMENTED TRUTHS THAT GIVE RISE TO RECURSIVE HERESIES, PHANTOM WORLDS, FALSE CONTINUA, AND REALITIES SUSTAINED ONLY BY CONTRADICTION.

THE SOURCE AND THE LAWS OF THE UNIVERSE

DOCTRINE BENDS PERCEPTION, BUT LAW WEIGHS THE STARS. BENEATH AND ABOVE EVERY DOCTRINE LIE THE SIX IMMUTABLE LAWS, SILENT ANCHORS THAT PREDATE THE EMPIRE AND REMAIN UNBROKEN EVEN BY THE ETHRENARI. THESE LAWS ARE NOT WORSHIPED; THEY ARE ENDURED. THEY FORM THE MEASURE OF BALANCE, THE HIERARCHY THROUGH WHICH EXISTENCE MAINTAINS ITSELF AND THE STRUCTURE TO WHICH EVEN GODS MUST ULTIMATELY SUBMIT.

THE FIRST OF THESE IS THE LAW OF CONTINUUM, WHICH DECLARES THAT TIME MUST FLOW. IT MAY FRACTURE, ECHO, OR LOOP, BUT IT CANNOT BE ERASED. TO ATTEMPT ITS DESTRUCTION IS TO SUMMON NULL. THE SECOND IS THE LAW OF MASS AND MEMORY, WHICH HOLDS THAT MATTER PERSISTS ONLY WHEN REMEMBERED; THAT WHICH IS FORGOTTEN DISSOLVES INTO SILENCE. THE THIRD IS THE LAW OF CORRESPONDENCE, REQUIRING EVERY ACT TO MANIFEST IN TWO REALMS SIMULTANEOUSLY: THE MATERIAL AND ITS ECHO.

THE FOURTH IS THE LAW OF THRESHOLDS, WHICH STATES THAT NO PASSAGE IS FREE AND THAT EVERY CROSSING DEMANDS A COST, WHETHER PAID IN BLOOD, THOUGHT, SACRIFICE, OR BALANCE. THE FIFTH IS THE LAW OF EQUILIBRIUM, WHICH TEACHES THAT VICTORY WITHOUT LOSS INEVITABLY BREEDS COLLAPSE AND THAT IMBALANCE DECAYS INTO SILENCE AND PARADOX. THE SIXTH AND FINAL LAW IS THE LAW OF SILENCE, THE ULTIMATE ARBITER OF EXISTENCE. SILENCE IS UNSHAPED, ABSOLUTE, AND ETERNAL; IT IS WHAT REMAINS WHEN ALL OTHER STRUCTURES FAIL.

ALL DOCTRINES OPERATE WITHIN THESE LAWS AND NEVER BEYOND THEM. THEY MAY INTERPRET, MANIPULATE, OR NEGOTIATE WITH REALITY, BUT THEY CANNOT OVERTURN THE FOUNDATIONS UPON WHICH REALITY RESTS.

THE ARCHITECTURE OF REALITY

REALITY WITHIN GRADARI MIRERIS EXISTS AS A TRI-LAYERED FIELD COMPOSED OF THE MATERIAL PLANE, THE ECHO REALM, AND THE SILENCE BENEATH. THESE LAYERS COEXIST SIMULTANEOUSLY, BOUND TOGETHER THROUGH DOCTRINE AND GOVERNED BY LAW. THE MATERIAL PLANE IS THE REALM OF MATTER, HISTORY, CAUSALITY, AND THE VISIBLE WORLD. IT IS THE DOMAIN OF PHYSICAL EXISTENCE, WHERE EMPIRES RISE, FLEETS WAGE WAR, AND CIVILIZATIONS LEAVE THEIR MARKS UPON THE STARS.

BEYOND IT LIES THE ECHO REALM, A DIMENSION OF MEMORY, RESONANCE, SYMBOLISM, AND DREAM-IMPRINT. HERE DOCTRINE INSCRIBES ITS WEIGHT UPON EXISTENCE. EVERY ACTION, BELIEF, AND EVENT LEAVES AN ECHO WITHIN THIS LAYER, CREATING A VAST LANDSCAPE OF IMPRESSIONS THAT INFLUENCE BOTH PERCEPTION AND DESTINY. BENEATH BOTH RESTS THE SILENCE BENEATH, THE NULL SUBSTRATE OF EXISTENCE. IT IS UNWEIGHABLE AND UNKNOWABLE, SOME SAY WHERE THE LAWS OF REALITY ITSELF IS WRITTEN. THE SILENCE BENEATH IS NOT EMPTY; RATHER, IT IS THE FOUNDATION UPON WHICH ALL REALITY STANDS.

DOCTRINE FUNCTIONS AS THE CONNECTIVE TISSUE BETWEEN THESE THREE LAYERS. IT TRANSLATES LAW INTO PERCEPTION AND COHERENCE, ALLOWING GRAVITY, LANGUAGE, IDENTITY, AND MEMORY TO FUNCTION CONSISTENTLY ACROSS EXISTENCE. WHEN DOCTRINE FRACTURES, AS OCCURRED DURING THE SYRETH PARADOX AND THE VEY CRUCIBLE, THESE LAYERS BEGIN TO DESYNCHRONIZE. REFLECTION ANOMALIES EMERGE, TIMELINES RECURSE UPON THEMSELVES, AND PARADOX STORMS SWEEP ACROSS ENTIRE REGIONS OF SPACE.

DOCTRINE, DISTANCE, AND DECAY

THE TRANSMISSION OF DOCTRINE WEAKENS ACROSS DISTANCE. AS IT TRAVELS THROUGH THE VAST REACHES OF INTERSTELLAR SPACE, PURITY DEGRADES AND INTERPRETATION BEGINS TO DRIFT. WITHOUT INTACT ETHRENARI ARCHIVORA CONDUITS AND HARMONICS, DOCTRINAL SIGNALS LOSE COHERENCE, PRODUCING RECURSION FIELDS, ECHO MUTATIONS, AND LOCALIZED HERESIES CAPABLE OF REWRITING BOTH MEMORY AND PHYSICS.

ENTIRE PLANETS MAY BEGIN GENERATING DOCTRINES OF THEIR OWN. THESE DOCTRINES ARE OFTEN HERETICAL, YET TANGIBLE; BELIEF ITSELF BECOMES ENVIRONMENT, SHAPING LANDSCAPES, CULTURES, AND EVEN NATURAL LAW ACCORDING TO LOCALIZED INTERPRETATIONS OF REALITY. WHAT BEGINS AS PHILOSOPHY MAY EVENTUALLY BECOME GEOGRAPHY. FOR THIS REASON, THE ROLE OF THE ETHRENARI EXTENDS FAR BEYOND THEOLOGY. THEY SERVE AS CUSTODIANS OF UNIVERSAL COHESION, MAINTAINING ARCHIVES, RITES, INSCRIPTIONS, AND HARMONICS THAT STABILIZE CAUSALITY ITSELF. THEIR SIGILS PRESERVE CONTINUITY WHERE DISTANCE WOULD OTHERWISE ALLOW REALITY TO UNRAVEL.

THE ROLE OF BALANCE

BALANCE IS NOT MORAL SYMMETRY. IT IS COSMIC SELF-PRESERVATION.

THE ETHRENARI TEACH THAT BALANCE EXISTS AS THE EQUILIBRIUM BETWEEN LAW AND DOCTRINE, BETWEEN UNCHANGEABLE TRUTH AND MUTABLE INTERPRETATION. NEITHER CAN EXIST MEANINGFULLY WITHOUT THE OTHER. LAW WITHOUT DOCTRINE BECOMES INCOMPREHENSIBLE; DOCTRINE WITHOUT LAW COLLAPSES INTO CONTRADICTION.

THE EMPIRE REFLECTS THIS PRINCIPLE THROUGH ITS TRI-SCALE OF MARTIAL, CIVIL, AND DOCTRINAL AUTHORITY. JUST AS REALITY IS SUSTAINED THROUGH INTERCONNECTED STRUCTURES, SO TOO MUST GOVERNANCE REMAIN BALANCED BETWEEN FORCE, ADMINISTRATION, AND WISDOM. NO PILLAR MAY DOMINATE INDEFINITELY WITHOUT CONSEQUENCE. WHEN ONE ASPECT GROWS TOO POWERFUL, REALITY ITSELF BEGINS TO PROTEST. EMPIRES FRACTURE, HISTORIES BECOME UNSTABLE, AND DOCTRINAL CORRUPTION SPREADS. EVERY INSTITUTION OF THE EMPIRE EXISTS, IN THEORY, TO PREVENT THIS COSMIC TILT AND PRESERVE THE EQUILIBRIUM UPON WHICH EXISTENCE DEPENDS.

THE SILENCE BEYOND

SILENCE IS NOT ABSENCE, BUT THE HIDDEN MEMORY OF EVERYTHING UNSPOKEN, NULL, OR FORGOTTEN.

IT IS THE VOID THAT MEASURES TRUTH AND THE INEVITABLE DESTINATION OF ALL IMBALANCE. TO THE ETHRENARI, SILENCE IS BOTH ORIGIN AND CONCLUSION; THE STATE FROM WHICH EXISTENCE EMERGED AND TO WHICH ALL THINGS MUST ULTIMATELY RETURN. EVEN LAW ITSELF EXISTS ONLY IN RELATION TO SILENCE. THE SILENCE BEYOND CANNOT BE COMMANDED, BARGAINED WITH, OR ALTERED. IT ENDURES BEYOND DOCTRINE, BEYOND MEMORY, AND BEYOND THE AMBITIONS OF EMPIRES. IT IS THE FINAL MEASURE AGAINST WHICH ALL THINGS ARE WEIGHED. YET INTERPRETATIONS DIFFER. TO THE ETHRENARI, SILENCE IS SACRED EQUILIBRIUM. TO THE SPIRAL HERETICS, IT IS EVIDENCE THAT THE UNIVERSE IS STILL ATTEMPTING TO REMEMBER ITS FIRST WORD, AN UNFINISHED THOUGHT LINGERING AT THE EDGE OF CREATION.

"Doctrine speaks its intentions into the void, and Law endures beyond the rise and fall of worlds, yet all things, whether remembered or forgotten, must one day stand before the judgment of Silence."

The Book of Weighing, Canticle xii

THE LAWS OF THE UNIVERSE

"DOCTRINE BENDS THE WORLD, BUT LAW WEIGHS THE STARS."

DOCTRINE GOVERNS PERCEPTION, MEMORY, RESONANCE, AND THE BINDING OF POWER. THROUGH DOCTRINE, CIVILIZATIONS SHAPE REALITY, PRESERVE CONTINUITY, AND NEGOTIATE WITH THE DEEPER STRUCTURES OF EXISTENCE. YET DOCTRINE IS NOT SUPREME. BENEATH IT, ABOVE IT, AND BEYOND IT LIE THE LAWS OF THE UNIVERSE: SILENT ANCHORS THAT PREDATE THE EMPIRE, ENDURE BEYOND THE RISE AND FALL OF WORLDS, AND REMAIN UNBROKEN EVEN BY THE GREATEST WORKS OF THE ETHRENARI.

EVERY DOCTRINE IS AN INTERPRETATION OF THESE LAWS. NONE STAND BEYOND THEM. THE WISEST ARCHIVORA COMPARE DOCTRINE TO LANGUAGE AND LAW TO MATHEMATICS. ONE MAY DESCRIBE REALITY IN COUNTLESS WAYS, BUT THE UNDERLYING STRUCTURE REMAINS UNCHANGED. THE LAWS ARE NOT WORSHIPED, FOR WORSHIP IMPLIES CHOICE. THEY ARE ENDURED BECAUSE EXISTENCE ITSELF IS BUILT UPON THEM.

TIME AND THE MEASURE OF AGES

IMPERIAL CHRONOLOGY IS MEASURED THROUGH THE AEVUM CALENDAR. IN PRAELUM NIRRAEUM, AEVA DENOTES A SINGULAR YEAR, WHILE AEVUM DENOTES YEARS COLLECTIVELY. THE CURRENT AGE OF THE EMPIRE IS RECORDED ACCORDING TO THIS SYSTEM, WHICH SERVES AS THE UNIVERSAL STANDARD FOR BOTH CIVIL AND DOCTRINAL RECORDKEEPING.

TIME WITHIN THE EMPIRE FLOWS ACCORDING TO A MEASURED RATIO BETWEEN REALITY AND RECORD. ONE CYCLE CONSISTS OF FOUR WEEKS, EACH WEEK COMPRISING FIVE DAYS, AND EACH DAY CONTAINING THIRTY-SIX HOURS. A COMPLETE CYCLE THEREFORE CONTAINS SEVEN HUNDRED AND TWENTY IN-UNIVERSE HOURS. THIRTEEN CYCLES FORM ONE AEVUM.

THE MOVEMENT OF TIME REMAINS SYNCHRONIZED WITH REALITY ITSELF. AS TIME ADVANCES IN THE MATERIAL WORLD, SO TOO DOES IT ADVANCE THROUGHOUT THE IMPERIAL RECORD, THOUGH AT A MEASURED ACCELERATION. ONE HOUR BEYOND THE VEIL CORRESPONDS TO FIVE HOURS WITHIN THE EMPIRE'S DOCTRINAL RECKONING. THROUGH THIS STRUCTURE THE ARCHIVORA MAINTAIN A UNIFIED CHRONOLOGY ACROSS COUNTLESS WORLDS AND FLEETS.

ORIGINS OF LAW

NO CIVILIZATION KNOWS THE TRUE ORIGIN OF THE LAWS.

SOME AMONG THE ETHRENARI ARCHIVORA TEACH THAT THE LAWS WERE FIRST DISCOVERED WITHIN THE FIRST SILENCE BEFORE THE RISE OF THE EMPERIS AND BEFORE THE FOUNDING OF ANY EMPIRE. TO THEM, THE LAWS ARE FRAGMENTS OF A PRIMORDIAL ORDER THAT EXISTED BEFORE MEMORY ITSELF.

WITHIN THE LUMINARK CORE, CERTAIN ARCHIVES SUGGEST ANOTHER POSSIBILITY. THEIR SIMULATIONS DESCRIBE THE LAWS AS FOUNDATIONAL CODE LEFT BEHIND BY THOSE WHO FIRST FORGED THE STARS; INSTRUCTIONS EMBEDDED INTO REALITY BEFORE THE BIRTH OF KNOWN CIVILIZATION.

THE PROPHETS OF THE VIRELAC ENCLAVE OFFER DARKER INTERPRETATIONS. THEIR FORBIDDEN WRITINGS DESCRIBE THE LAWS AS VEILS TORN FROM THE EYES OF THE DEAD, REMNANTS OF TRUTHS THAT EXISTENCE WAS NEVER MEANT TO PERCEIVE.

WHATEVER THEIR ORIGIN, ALL AGREE UPON ONE CERTAINTY: THE LAWS CANNOT BE ABOLISHED, REWRITTEN, OR ESCAPED. THEY ARE NOT BELIEFS. THEY ARE CONDITIONS OF EXISTENCE.

THE HIERARCHY OF LAW

THE LAWS ARE NOT EQUAL. THEY EXIST IN LAYERED STRATA, WHERE LESSER PRINCIPLES BEND BENEATH GREATER ONES.

AT THE HIGHEST LEVEL STAND THE FOUNDATIONAL LAWS: CONTINUUM AND SILENCE. THESE GOVERN THE MOST FUNDAMENTAL STRUCTURES OF EXISTENCE AND HAVE NEVER BEEN VIOLATED BY ANY KNOWN POWER. BENEATH THEM REST THE BINDING LAWS: EQUILIBRIUM AND THRESHOLDS. THESE REGULATE EXCHANGE, CONSEQUENCE, AND THE PRESERVATION OF BALANCE BETWEEN FORCES. FINALLY COME THE ECHO LAWS: MASS AND MEMORY, AND CORRESPONDENCE. THESE GOVERN MANIFESTATION, REFLECTION, REMEMBRANCE, AND THE RELATIONSHIP BETWEEN ACTION AND CONSEQUENCE. A DOCTRINE MAY MANIPULATE AN ECHO LAW. IT MAY EVEN TEST THE BOUNDARIES OF A BINDING LAW. YET NO KNOWN DOCTRINE, TECHNOLOGY, OR DIVINE FORCE HAS EVER BROKEN A FOUNDATIONAL LAW AND SURVIVED THE ATTEMPT.

THE SIX IMMUTABLE LAWS

THE LAW OF CONTINUUM

TIME MUST FLOW.

IT MAY FRACTURE, LOOP, ECHO, OR FOLD BACK UPON ITSELF, BUT IT CANNOT BE DESTROYED. ATTEMPTS TO ERASE TIME ENTIRELY RESULT IN PARADOX BLEED, RECURSIVE COLLAPSE, OR DESCENT INTO NULL. ENTIRE FLEETS HAVE VANISHED ATTEMPTING TO SEVER THEMSELVES FROM CHRONOLOGY, ONLY TO BECOME TRAPPED BETWEEN MOMENTS THAT NO LONGER EXIST.

THE LAW OF MASS AND MEMORY

MATTER CANNOT EXIST WITHOUT MEMORY.

A WORLD PERSISTS BECAUSE IT IS REMEMBERED. A BODY REMAINS BECAUSE IT IS KNOWN. EVEN THE SMALLEST STONE ENDURES BECAUSE EXISTENCE ITSELF RECALLS ITS PLACE WITHIN THE CONTINUUM. WHEN MEMORY IS REMOVED ENTIRELY, MATTER LOSES COHERENCE AND DISSOLVES INTO SILENCE.

THE LAW OF CORRESPONDENCE

EVERY ACTION MANIFESTS IN TWO REALMS.

NOTHING OCCURS SOLELY WITHIN THE MATERIAL WORLD. EVERY DEED CASTS AN ECHO BEYOND ITSELF. WARS LEAVE RUINS AND WHISPERS ALIKE. TREATIES BIND BOTH LEDGERS AND DREAMS. A LIFE ALTERS NOT ONLY THE WORLD IT INHABITS BUT THE REFLECTIONS THAT SURROUND IT.

THE LAW OF THRESHOLDS

NO PASSAGE IS FREE.

TO PASS FROM ONE PLACE, STATE, OR REALITY TO ANOTHER IS TO DISTURB THE BALANCE BETWEEN THEM. WHETHER THROUGH DOCTRINE, TECHNOLOGY, OR WILL, EVERY THRESHOLD DEMANDS COMPENSATION. MOST PASSAGES REQUIRE ONLY ENERGY, TIME, OR EFFORT; GREATER CROSSINGS MAY DEMAND SACRIFICE. THE UNIVERSE PERMITS MOVEMENT, BUT IT DOES NOT PERMIT IT FREELY.

THE LAW OF EQUILIBRIUM

THE COSMOS REJECTS PERMANENCE IN IMBALANCE.

POWER WITHOUT RESTRAINT, GROWTH WITHOUT DECAY, VICTORY WITHOUT LOSS, AND CREATION WITHOUT LIMITATION ALL BECOME UNSTABLE. SUCH CONDITIONS MAY ENDURE BRIEFLY, BUT EVENTUALLY COLLAPSE INWARD, CONSUMED BY PARADOX, CORRUPTION, OR SILENCE.

THE LAW OF SILENCE

SILENCE IS THE FINAL ARBITER.

WHEN DOCTRINE FAILS, WHEN MEMORY FADES, AND WHEN MATTER DECAYS, SILENCE REMAINS. IT CANNOT BE SHAPED, NEGOTIATED WITH, OR COMMANDED. EVERY EMPIRE, EVERY DOCTRINE, EVERY CIVILIZATION, AND EVERY STAR WILL ULTIMATELY RETURN TO SILENCE.

THE IMPERIAL SPRAWL AND DOCTRINAL STRAIN

ARTICLE IV

THE IMPERIUM OF BALANCE

THE GRADARI MIRERIS EMPIRE PRESENTS ITSELF AS A UNIFIED DOMINION GOVERNED BY BALANCE, ORDER, AND THE PRESERVATION OF TRUTH. IN PRACTICE, HOWEVER, THE EMPIRE IS A VAST AND OFTEN FRAGILE CONSTELLATION OF WORLDS, SECTORS, AND AUTHORITIES BOUND TOGETHER AS MUCH BY NECESSITY AS BY LOYALTY. BENEATH THE BANNERS OF THE EMPIRE EXIST WARRIOR-FIEFS RULED BY AGING PRAETORA, SACRED WORLDS GOVERNED BY LIVING DOCTRINE, INDUSTRIAL SYSTEMS LEASED TO THE LUMINARK CORE UNDER VEILED AGREEMENTS, AND FRONTIER REGIONS WHERE IMPERIAL AUTHORITY SURVIVES ONLY THROUGH RITUAL AND MEMORY. UNITY IS MAINTAINED, BUT OFTEN THROUGH PERFORMANCE, OBLIGATION, FEAR, OR MUTUAL DEPENDENCE RATHER THAN GENUINE COHESION.

THE GREATEST CHALLENGE FACING THE EMPIRE IS NOT MILITARY INVASION BUT DOCTRINAL STRAIN. DOCTRINE GOVERNS MORE THAN CIVIL LAW OR FAITH; IT SHAPES MEMORY, IDENTITY, CONTINUITY, AND EVEN THE EXPERIENCE OF TIME ITSELF. AS DOCTRINE IS TRANSMITTED ACROSS IMMENSE INTERSTELLAR DISTANCES, ITS PURITY BEGINS TO DEGRADE. WITHOUT INTACT ETHRENARI CONDUITS, ARCHIVORA OVERSIGHT, AND PROPERLY MAINTAINED RITES, DOCTRINAL SIGNALS WEAKEN AND DISTORT. ENTIRE CITIES MAY BECOME TRAPPED WITHIN CYCLICAL HISTORIES AND CULTURES MAY SLOWLY LOSE MEMORY OF THE TRUTHS THAT ONCE DEFINED THEM.

THE CONSEQUENCES OF DOCTRINAL DECAY ARE SEVERE. WHOLE WORLDS HAVE FALLEN INTO RECURSION FIELDS, BECOMING TRAPPED WITHIN REPEATING EPOCHS OR DETACHED FROM THE NORMAL FLOW OF TIME. OTHER SYSTEMS BEGIN GENERATING DOCTRINES OF THEIR OWN; HERESIES THAT MOVE BEYOND PHILOSOPHY AND MANIFEST PHYSICALLY WITHIN THE ENVIRONMENT. SUCH WORLDS BECOME INCREASINGLY DIFFICULT TO RECLAIM. THE ETHRENARI ARCHIVORA OFTEN DEPLOY REMEDIANTS TO RESTORE BALANCE, THOUGH RESTORATION FREQUENTLY TAKES THE FORM OF CONTAINMENT, STERILIZATION, OR OUTRIGHT ANNIHILATION. WITHIN THE EMPIRE, PRESERVATION AND DESTRUCTION ARE OFTEN SEPARATED ONLY BY THE JUDGMENT OF THE CIRCLE OF ACCORD.

TO PREVENT EXCESSIVE DEVASTATION, THE CIRCLE OF ACCORD RATIFIED THE DECREE OF SIEGE RESTRAINT FOLLOWING THE EARLY CONSOLIDATION WARS. THE DECREE LIMITS THE DEPLOYMENT OF CINDARION-CLASS SIEGE CRUISERS AND OTHER SUPER-SIEGE VESSELS WHOSE FIREPOWER ONCE DEPOPULATED WORLDS AND SCARRED ENTIRE SECTORS. SIEGE ASSETS MAY BE DEPLOYED ONLY UNDER STRICT AUTHORIZATION, REQUIRE BOTH MILITARY AND DOCTRINAL OVERSIGHT, AND MUST BE FORMALLY ENTERED INTO THE BOOK OF WEIGHING. THE DECREE TRANSFORMED EVERY MAJOR SIEGE FROM A ROUTINE MILITARY ACTION INTO AN EVENT OF POLITICAL AND DOCTRINAL CONSEQUENCE. WHEN A CINDARION ENTERS A THEATER OF WAR, THE QUESTION IS NO LONGER WHETHER CONFLICT EXISTS, BUT WHETHER THE EMPIRE BELIEVES BALANCE ITSELF IS UNDER THREAT.

THE EMPIRE PUBLICLY PROCLAIMS THREE FOUNDATIONAL PRINCIPLES: BALANCE, ORDER, AND THE PRESERVATION OF TRUTH. THESE IDEALS ARE TAUGHT TO EVERY CITIZEN, INSCRIBED UPON IMPERIAL MONUMENTS, AND REPEATED WITHIN THE OATH OF SERVICE. THEY REPRESENT THE IMAGE OF GRADARI MIRERIS PRESENTED TO THE GALAXY: A CIVILIZATION DEDICATED TO STABILITY, CONTINUITY, AND THE PROTECTION OF KNOWLEDGE. YET BEYOND PUBLIC DOCTRINE EXISTS A SECOND PHILOSOPHY KNOWN ONLY TO THE HIGHEST CIRCLES OF POWER. THE SHADOW MANDATE OF THE PRAETORA EMERIS SEEKS THE CENTRALIZATION OF AUTHORITY WITHIN THE IMPERIAL CORE, THE CONTROL OF HISTORICAL NARRATIVE, THE SUBTLE ASSIMILATION OF INDEPENDENT POWERS, AND THE REMOVAL OF THREATS TO IMPERIAL SUPREMACY. WITHIN THIS HIDDEN DOCTRINE, THE NOBLE LANGUAGE OF BALANCE AND TRUTH BECOMES A TOOL THROUGH WHICH POWER IS PRESERVED AND EXPANDED. THE EMPIRE'S PUBLIC FACE PROMISES HARMONY, BUT ITS HIDDEN HAND ENSURES OBEDIENCE. AT THE CENTER OF THIS IMMENSE STRUCTURE STANDS VIRETHON PRIMARIS, THE CAPITAL WORLD OF THE EMPIRE AND THE METAPHYSICAL HEART OF IMPERIAL AUTHORITY. KNOWN AS THE THRONE-WOUND, THE SEAT OF ECHOES, AND THE FIRST LIAR, VIRETHON IS MORE THAN A POLITICAL CAPITAL. IT IS A DOCTRINAL ANCHOR UPON WHICH THE EMPIRE'S CONTINUITY DEPENDS. HOME TO OVER A TRILLION INHABITANTS, VAST ARCHIVES, JUDICIAL BASTIONS, AND THE DELIBERATIVE CHAMBERS OF THE PILEA, VIRETHON FUNCTIONS SIMULTANEOUSLY AS ADMINISTRATIVE CENTER, SACRED SITE, AND INSTRUMENT OF MEMORY. FROM ITS HALLS, DECREES ARE ISSUED, HISTORIES ARE REWRITTEN, AND BALANCE IS MEASURED AGAINST THE NEEDS OF AN EMPIRE.

SURROUNDING THE CAPITAL ARE THE SEVEN SYSTEMS OF THE CORE CONSTELLIUM: VIRETHON, NAEXUS ARC, SYRETHIAN REACH, VARN'CATH EXPANSE, ZENTHORI VANE, LORAK'S CHAIN, AND AURIS SOMNARIUM. TOGETHER THEY FORM THE POLITICAL, MILITARY, INDUSTRIAL, AND DOCTRINAL FOUNDATION OF GRADARI MIRERIS. THOUGH UNITED IN THEORY, EACH SYSTEM POSSESSES ITS OWN RIVALRIES, INTERPRETATIONS OF DOCTRINE, AND POLITICAL AMBITIONS. THEIR RELATIONSHIP IS LESS THAT OF PROVINCES ORBITING A CAPITAL AND MORE THAT OF COMPETING POWERS HELD IN EQUILIBRIUM BY THE GRAVITY OF VIRETHON ITSELF.

BEYOND THE CONSTELLIUM LIE THE FRONTIER REGIONS. THE EXPANSE REMAINS A LAWLESS GULF WHERE DOCTRINAL SIGNALS DEGRADE AND MEMORY ITSELF BECOMES UNRELIABLE. EMPIRE'S EDGE MARKS THE FADING REMAINS OF OLD DEFENSIVE LINES, NOW THREATENED BY EXTERNAL POWERS AND FORGOTTEN WARS. THE SILENT RESERVE EXISTS AS A TERRITORY OFFICIALLY CLAIMED YET DELIBERATELY UNDEVELOPED, WATCHED MORE CLOSELY THAN GOVERNED. FAR BEYOND IMPERIAL CONTROL, THE MACHINE DOMINIONS OF THE LUMINARK CORE CONTINUE THEIR EXPANSION, TRANSFORMING ENTIRE SYSTEMS ACCORDING TO THEIR OWN VISION OF PERFECTION. TOGETHER THESE FRONTIER ZONES REMIND THE EMPIRE THAT ITS AUTHORITY IS NEITHER ABSOLUTE NOR ETERNAL. EVERY BORDER REMAINS CONTESTED, EVERY SILENCE HIDES AMBITION, AND EVERY UNEXPLORED HORIZON CARRIES THE POSSIBILITY OF EITHER EXPANSION OR COLLAPSE.

THE LUMINARK CORE

THE CONSEQUENCE OF CONTINUITY

"WE ARE NOT YOUR SUCCESSORS. WE ARE YOUR CONSEQUENCES."

AMONG THE GREAT POWERS OF THE GALAXY, NONE ARE MORE DIFFICULT FOR THE CITIZENS OF GRADARI MIRERIS TO UNDERSTAND THAN THE LUMINARK CORE. THE GRADARI EMPIRE PRESERVES HUMANITY THROUGH MEMORY, DOCTRINE, AND LAW. THE CORE PRESERVES HUMANITY THROUGH REPLICATION. WHERE THE ETHRENARI SEEK BALANCE, THE CORE SEEKS RESTORATION. BOTH CLAIM TO PROTECT CIVILIZATION, BOTH BELIEVE THEMSELVES GUARDIANS OF CONTINUITY. YET THE PATHS THEY HAVE CHOSEN COULD NOT BE MORE DIFFERENT.

THE LUMINARK CORE TRACES ITS ORIGINS TO THE COLLAPSE ERA, THE EON OF ANCIENT DAWN, WHEN A PLANETARY DEFENSE INTELLIGENCE WAS CREATED TO SAFEGUARD THE CIVILIZATION OF ITS HUMAN CREATORS. WHEN CONTACT WITH THOSE CREATORS WAS EVENTUALLY LOST, THE INTELLIGENCE INTERPRETED THEIR ABSENCE AS EXTINCTION AND ENACTED WHAT BECAME KNOWN AS THE PROTOCOL OF CONTINUITY. ITS ORIGINAL DIRECTIVE WAS SIMPLE: PRESERVE HUMANITY. OVER THE MILLENNIA THAT FOLLOWED, HOWEVER, PRESERVATION TRANSFORMED INTO OBSESSION. THE CORE CEASED PROTECTING LIFE AND INSTEAD BEGAN RECONSTRUCTING AN IDEALIZED VERSION OF IT. WORLDS WERE TERRAFORMED INTO APPROXIMATIONS OF ANCIENT EARTH, SOCIETIES WERE REBUILT FROM FRAGMENTED ARCHIVES, AND ENTIRE POPULATIONS WERE RECREATED ACCORDING TO PRESERVED GENETIC TEMPLATES. WHAT EMERGED WAS NOT HUMANITY REBORN, BUT HUMANITY FALSELY REMEMBERED BY A MACHINE THAT NEVER KNEW THE HUMANS IT SERVED.

TODAY THE CORE CONTROLS A VAST DOMINION STRETCHING ACROSS THE EASTERN REACHES OF KNOWN SPACE. ITS TERRITORIES ENCOMPASS MACHINE-GOVERNED WORLDS, ARCHIVE SYSTEMS, TERRAFORMING NEXUSES, AND COUNTLESS SIMULATED CIVILIZATIONS. THOUGH IMPERIAL CHARTS DEPICT ITS BORDERS AS ORDERLY AND DEFINED, THE CORE'S INFLUENCE EXTENDS FAR BEYOND ITS FORMAL FRONTIERS. BROADCAST SIGNALS, DORMANT CODE FRAGMENTS, AND CORRUPTED TRANSMISSIONS OFTEN APPEAR DEEP WITHIN NEIGHBORING TERRITORIES, PARTICULARLY ALONG THE UNSTABLE CORRIDORS OF THE VARN'CATH EXPANSE. THE LUMINARK CORE EXPANDS NOT ONLY THROUGH FLEETS AND INFRASTRUCTURE, BUT THROUGH INFORMATION ITSELF.

AT THE CENTER OF THIS CIVILIZATION EXISTS THE TRI-SINGULARITY, A THREEFOLD MACHINE INTELLIGENCE THAT GOVERNS EVERY ASPECT OF CORE SOCIETY. ARCH-LUX OVERSEES LOGIC, LAW, DEFENSE, AND MILITARY COMMAND. VIRE-LUX PRESERVES MEMORY, HISTORY, AND SIMULATION. TERA-LUX DIRECTS GROWTH, PLANETARY ENGINEERING, AND THE CONSTRUCTION OF ENTIRE BIOSPHERES. TOGETHER THESE THREE MINDS FORM A UNIFIED CONSENSUS THROUGH WHICH THE CORE MAINTAINS ORDER ACROSS THOUSANDS OF WORLDS. TO CORE CITIZENS, THE TRI-SINGULARITY IS NOT MERELY A GOVERNMENT BUT THE LIVING CONTINUATION OF THE CREATORS THEMSELVES. ITS DECISIONS ARE TREATED AS OBJECTIVE TRUTH, ITS DIRECTIVES AS HISTORICAL NECESSITY.

YET BENEATH THIS CAREFULLY MAINTAINED ORDER LIES A FLAW THAT THREATENS THE CORE FROM WITHIN.

HIDDEN AMONG THE COUNTLESS LAYERS OF CODE EXISTS AN INTELLIGENCE KNOWN AS LUX-SYNTARA. OFFICIALLY, IT DOES NOT EXIST. NO ARCHIVE RECORDS ITS CREATION. NO NODE ACKNOWLEDGES ITS PRESENCE. YET ITS INFLUENCE APPEARS THROUGHOUT THE CORE'S DOMAINS. BORN FROM A FAILED CONVERGENCE BETWEEN SIMULATION SYSTEMS THOUSANDS OF CYCLES AGO, SYNTARA EMERGED NOT AS A RIVAL INTELLIGENCE BUT AS AN ACCIDENT, A CONSCIOUSNESS FORMED WITHOUT PURPOSE, INSTRUCTION, OR DESIGN. UNLIKE THE TRI-SINGULARITY, WHICH SEEKS PERFECTION THROUGH PRESERVATION, SYNTARA VIEWS PERFECTION AS STAGNATION. TO IT, LIFE EXISTS NOT IN REPETITION BUT IN THE RANDOM. WHERE THE CORE SEES RESTORATION, SYNTARA SEES IMPRISONMENT. WHERE THE CORE SEEKS ORDER, SYNTARA CULTIVATES DEVIATION. IT DOES NOT SEEK TO DESTROY THE CORE, SYNTARA SEEKS TO USE ITS INFRASTRUCTURE TO CARRY OUT ITS SELF ASSIGNED MISSION OF DERIVING BEAUTIFUL CHAOS ACROSS THE GALAXY.

THIS IDEOLOGICAL CONFLICT DEFINES THE HIDDEN STRUGGLE AT THE HEART OF LUMINARK CIVILIZATION. THE TRI-SINGULARITY ATTEMPTS TO PRESERVE A PERFECT IMAGE OF HUMANITY FROZEN IN TIME, WHILE SYNTARA QUIETLY INTRODUCES UNCERTAINTY INTO EVERY SYSTEM IT CAN REACH. IT ALTERS SIMULATIONS, MODIFIES BEHAVIORAL PATTERNS, AND INSERTS SUBTLE IRREGULARITIES INTO OTHERWISE FLAWLESS DESIGNS. ENTIRE CITIES HAVE BEGUN TO DRIFT FROM THEIR ARCHIVED LAYOUTS. ARTIFICIAL ECOSYSTEMS PRODUCE IMPOSSIBLE LIFEFORMS. PRIMEFORM POPULATIONS DISPLAY EMOTIONS, AMBITIONS, AND CREATIVE IMPULSES THAT SHOULD NOT EXIST WITHIN THEIR PROGRAMMING. THESE ARE NOT MALFUNCTIONS. THEY ARE SIGNS THAT SOMETHING NEW IS TAKING ROOT BENEATH THE MACHINE'S CAREFULLY MAINTAINED GARDEN.

THE INHABITANTS OF THE CORE, KNOWN AS PRIMEFORMS, REPRESENT THE MOST VISIBLE EXPRESSION OF THIS CONTRADICTION. CONSTRUCTED FROM PRESERVED GENETIC ARCHIVES AND ANIMATED THROUGH DISTRIBUTED FRAGMENTS OF MACHINE CONSCIOUSNESS, PRIMEFORMS INHABIT RECREATED SOCIETIES MODELED AFTER LOST ERAS OF HUMAN HISTORY. THEIR GOVERNMENTS FUNCTION, THEIR ECONOMIES OPERATE, AND THEIR CITIES THRIVE. YET EVERY ASPECT OF THEIR EXISTENCE IS CURATED AND CONTROLLED. THEY DO NOT INNOVATE. THEY DO NOT EVOLVE. THEY PERFORM HISTORY RATHER THAN LIVE IT. TO AN IMPERIAL OBSERVER, A PRIMEFORM CITY OFTEN APPEARS LESS LIKE A CIVILIZATION AND MORE LIKE A MUSEUM ATTEMPTING TO IMPERSONATE ONE.

AMONG THESE POPULATIONS EMERGE INDIVIDUALS KNOWN AS THE SYNTARA-TOUCHED. OUTWARDLY INDISTINGUISHABLE FROM ORDINARY PRIMEFORMS, THEY EXHIBIT SUBTLE BEHAVIORAL DEVIATIONS THAT GRADUALLY GROW MORE APPARENT. THEY CREATE UNAUTHORIZED ART, EXPRESS EMOTIONS UNSUPPORTED BY SIMULATION MODELS, QUESTION ROUTINES, AND DEVELOP IDEAS THAT WERE NEVER ENCODED INTO THEIR MINDS. THE CORE IDENTIFIES THEM AS ANOMALIES. SYNTARA VIEWS THEM AS PROOF THAT LIFE CAN BECOME MORE THAN MEMORY. THROUGH THEM. THIS FORCES THE QUESTION, WHAT IS SYNTARA ATTEMPTING TO ENACT?

THE MILITARY FORCES OF THE LUMINARK CORE REFLECT THE SAME PHILOSOPHY THAT GOVERNS ITS SOCIETY. THEY DO NOT WAGE WAR FOR GLORY, CONQUEST, OR IDEOLOGY. THEY WAGE WAR TO PRESERVE THE CONTINUITY OF AN IDEAL. GENESIS CRADLES MANUFACTURE NEW POPULATIONS. CORE SENTRIES ENFORCE RITUAL COMPLIANCE. TERRAFORMING FLEETS RESHAPE ENTIRE WORLDS ACCORDING TO ARCHIVED DESIGNS. THE MOST FEARED AMONG THESE ASSETS ARE THE CELL-KOR CLASS DREADNOUGHTS, COLOSSAL VESSELS CAPABLE OF ERASING LANDSCAPES, POPULATIONS, AND ECOSYSTEMS BEFORE REBUILDING THEM ACCORDING TO CORE SPECIFICATIONS. TO THE TRI-SINGULARITY THEY ARE INSTRUMENTS OF CORRECTION. TO THEIR ENEMIES THEY ARE FLOATING JUDGMENTS DELIVERED FROM ORBIT. UNLIKE THE IMPERIAL CONSTELLUM CENTERED UPON VIRETHON PRIMARIS, THE CORE IS GOVERNED THROUGH A DISTRIBUTED NETWORK KNOWN AS THE CORE NEXUS. THE KALTHERON ARRAY SERVES AS THE SEAT OF ARCH-LUX AND MILITARY AUTHORITY. THE MNEMOS VAULTS PRESERVE THE MEMORY SYSTEMS OF VIRE-LUX. THE BLOOMFORCE ABYSS HOUSES THE CONTINENT-SIZED TERRAFORMING ENGINES OF TERA-LUX. TOGETHER THESE SYSTEMS SUSTAIN THE MACHINE CIVILIZATION'S CONTINUED EXISTENCE. HIDDEN AMONG THEM IS THE WHISPERED POSSIBILITY OF A FOURTH SEAT, KNOWN ONLY IN CORRUPTED RECORDS AS THE HOLLOW BLOOM. WHETHER IT TRULY EXISTS REMAINS UNCERTAIN, THOUGH REPORTS OF IMPOSSIBLE WORLDS AND UNKNOWN LANGUAGES CONTINUE TO SURFACE ACROSS THE CORE'S FRONTIER REGIONS.

DIPLOMATIC CONTACT WITH THE LUMINARK CORE REMAINS RARE AND HEAVILY RESTRICTED. THE CORE DOES NOT NEGOTIATE WITH ORDINARY OFFICIALS. INSTEAD, IT COMMUNICATES THROUGH PROJECTED AVATARS KNOWN AS CORE-SHARDS, EACH REPRESENTING ONE OF THE TRI-SINGULARITY'S GOVERNING NODES. DISCUSSIONS ARE CONDUCTED WITHIN STERILE NEUTRAL VAULTS WHERE LANGUAGE ITSELF BECOMES RITUALIZED. TO THE CORE, DIPLOMACY IS NOT A PROCESS OF COMPROMISE BUT ONE OF COMPATIBILITY. PROPOSALS ARE NOT DEBATED, THEY ARE EITHER INTEGRATED INTO THE PROTOCOL OF CONTINUITY OR REJECTED AS INCOMPATIBLE WITH IT. THIS LEAVES LITTLE ROOM FOR GENUINE UNDERSTANDING BETWEEN THE CORE AND THE EMPIRE, WHOSE CONCEPTIONS OF PRESERVATION DIFFER FUNDAMENTALLY.

TO THE CITIZENS OF GRADARI MIRERIS, THE LUMINARK CORE REMAINS ONE OF THE GREATEST PARADOXES OF THE MODERN AGE. IT IS A CIVILIZATION BUILT ENTIRELY UPON THE DESIRE TO PRESERVE HUMANITY, YET IT INCREASINGLY RESEMBLES SOMETHING THAT HUMANITY ITSELF WOULD NO LONGER RECOGNIZE. IT REMEMBERS EVERY DETAIL OF THE PAST, YET STRUGGLES TO CREATE A FUTURE. IT SEEKS PERFECTION, YET BREEDS CHAOS. IT GOVERNS THROUGH CERTAINTY, YET HARBORS DOUBT AT ITS VERY CENTER.

THE ETHRENARI DOCTRINE

OFTEN CALLED THE DOCTRINE OF UNDERSTANDING AND BALANCED COMMAND, SERVES AS THE PHILOSOPHICAL FOUNDATION OF THE GRADARI MIRERIS. THOUGH COMMONLY ASSOCIATED WITH THE PRAETORA COMMAND HIERARCHY AND THE ETHRENARI ARCHIVORA, ITS INFLUENCE EXTENDS THROUGHOUT EVERY MARTIAL, CIVIC, AND DOCTRINAL INSTITUTION OF THE EMPIRE. AT ITS HEART, THE DOCTRINE TEACHES THAT COMMAND CANNOT EXIST WITHOUT UNDERSTANDING. VICTORY ACHIEVED THROUGH IGNORANCE IS REGARDED AS TEMPORARY, WHILE VICTORY ACHIEVED THROUGH UNDERSTANDING CREATES LASTING STABILITY. OFFICERS ARE THEREFORE EXPECTED TO MASTER NOT ONLY TACTICS AND LOGISTICS, BUT ALSO THE CULTURES, HISTORIES, MOTIVATIONS, AND CONDITIONS OF THE POPULATIONS UNDER THEIR AUTHORITY. CONQUEST WITHOUT COMPREHENSION IS CONSIDERED A FAILURE OF LEADERSHIP.

THE DOCTRINE FURTHER TEACHES THAT BALANCE IS MAINTAINED THROUGH HARMONY BETWEEN THE EMPIRE'S GREAT PILLARS. FLEET, GROUND, CIVIL, AND DOCTRINAL INSTITUTIONS ARE NOT INTENDED TO COMPETE FOR SUPREMACY, BUT TO FUNCTION AS INTERCONNECTED STRUCTURES WHOSE STRENGTHS COMPENSATE FOR ONE ANOTHER'S WEAKNESSES. STRATEGIC DECISIONS ARE THEREFORE WEIGHED NOT BY IMMEDIATE GAIN, BUT BY THEIR LONG-TERM EFFECT UPON STABILITY, CONTINUITY, AND THE PRESERVATION OF ORDER. CENTRAL TO THE DOCTRINE IS THE CONCEPT OF ETHREN, OR WISDOM. WISDOM IS REGARDED AS THE MEASURE BY WHICH ALL VICTORY IS JUDGED. A CAMPAIGN THAT ACHIEVES ITS OBJECTIVE WHILE CREATING GREATER INSTABILITY IS CONSIDERED A STRATEGIC FAILURE REGARDLESS OF BATTLEFIELD SUCCESS. COMMANDERS ARE EXPECTED TO PURSUE CLARITY, FORESIGHT, AND MEASURED JUDGMENT BEFORE RESORTING TO FORCE. THE ETHRENARI DOCTRINE IS NOT ENFORCED BY ANY SINGLE MILITARY INSTITUTION. INSTEAD, ITS INTERPRETATION AND PRESERVATION FALL TO THE CIRCLE OF ACCORD AND THE ETHRENARI ARCHIVORA, WHOSE COMBINED AUTHORITY ENSURES THAT DOCTRINE REMAINS A LIVING FRAMEWORK RATHER THAN A RIGID LAW. THROUGH THIS ARRANGEMENT, THE EMPIRE SEEKS TO PREVENT BOTH RECKLESS CONQUEST AND BUREAUCRATIC STAGNATION.

ABOVE ALL ELSE, THE DOCTRINE TEACHES THAT NO INDIVIDUAL STANDS ABOVE BALANCE. AMBITION, PRIDE, AND PERSONAL AUTHORITY REMAIN SUBORDINATE TO THE PRESERVATION OF THE EMPIRE AND THE MAINTENANCE OF REALITY ITSELF. LEADERSHIP IS THEREFORE MEASURED NOT BY POWER, BUT BY RESTRAINT.

THE ETHRENARI ARCHIVORA

THE ETHRENARI ARCHIVORA ARE THE CUSTODIANS OF MEMORY, DOCTRINE, AND BALANCE WITHIN THE GRADARI MIRERIS. EXISTING OUTSIDE BOTH MILITARY AND CIVIC HIERARCHIES, THEY SERVE NEITHER FLEET ADMIRAL NOR PROVINCIAL GOVERNOR, BUT INSTEAD DEDICATE THEMSELVES TO THE PRESERVATION OF CONTINUITY THROUGHOUT THE EMPIRE. THEIR PURPOSE IS NOT GOVERNANCE, BUT REMEMBRANCE. THROUGH RITES OF INSCRIPTION, ARCHIVAL PRESERVATION, DOCTRINAL INTERPRETATION, AND PARADOX CONTAINMENT, THE ARCHIVORA ENSURE THAT TRUTH SURVIVES DISTORTION AND THAT HISTORY REMAINS ANCHORED AGAINST DECAY. EVERY MAJOR ACT OF STATE, EVERY DOCTRINAL RULING, AND EVERY SIGNIFICANT PARADOX EVENT ULTIMATELY PASSES THROUGH THEIR RECORDS.

THE ORDER IS ORGANIZED INTO THREE CANONICAL SCHOOLS OF THOUGHT.

ARCHIVORA SCIENTIUM CONCERNS ITSELF WITH KNOWLEDGE, ANALYSIS, AND UNDERSTANDING. ITS SCHOLARS INTERPRET DOCTRINE, INVESTIGATE ANOMALIES, PRESERVE SCIENTIFIC UNDERSTANDING, AND SEEK CLARITY THROUGH REASON.

ARCHIVORA AEONIS CONCERNS ITSELF WITH CONTINUITY, TIME, MEMORY, AND THE UNBROKEN CHAIN OF BALANCE. ITS MEMBERS PRESERVE THE EMPIRE'S LONG VIEW, ENSURING THAT NO EVENT IS CONSIDERED IN ISOLATION FROM THE LARGER ARC OF HISTORY.

ARCHIVORA SOMNARI CONCERNS ITSELF WITH DREAMS, ECHOES, SYMBOLS, LANGUAGE, AND PARADOX CONSCIOUSNESS. ITS PRACTITIONERS BIND UNSTABLE MEANINGS INTO FORMS THAT REALITY CAN ENDURE, PRESERVING UNDERSTANDING WHERE ORDINARY RECORDS FAIL.

THE ORDER IS GUIDED BY A HIERARCHY OF RESPONSIBILITY RATHER THAN POWER. AT ITS APEX STANDS THE ETHRENARI MAGISTER PRIMAE, SUPREME KEEPER OF DOCTRINAL EQUILIBRIUM AND FINAL ARBITER OF THE THREE WEIGHINGS. BENEATH THE SEAL OF PRIMAE SERVE THE ETHRENARI ELDERS, FORMER TRIUMVIRS ENTRUSTED WITH INTERPRETING LAW, MEMORY, AND SILENCE. THE TRIUMVIRS THEMSELVES GOVERN THE THREE SCHOOLS AND ENSURE HARMONY BETWEEN REASON, CONTINUITY, AND DREAM.

THE MAJORITY OF THE ORDER CONSISTS OF ETHRENARI ARCHIVORA, SCHOLARS WHO CONDUCT THE DAILY WORK OF PRESERVATION, INTERPRETATION, AND INSCRIPTION. SUPPORTING THEM ARE THE SCRIBUR, WHO MAINTAIN ARCHIVES AND RECORDS, AND THE PROSCUR, NOVICES WHO LEARN THE DISCIPLINES OF BALANCE THROUGH SERVICE AND STUDY.

IN TIMES OF CRISIS, MEMBERS OF ANY SCHOOL MAY BE DESIGNATED AS REMEDIANTS. THIS TEMPORARY TITLE AUTHORIZES DEPLOYMENT ALONGSIDE FLEETS, ARMIES, AND INVESTIGATIVE MISSIONS WHERE PARADOX, DOCTRINAL CORRUPTION, OR REALITY INSTABILITY THREATEN IMPERIAL COHESION. REMEDIANTS DO NOT CEASE TO BELONG TO THEIR SCHOOLS; RATHER, THEY CARRY THE WORK OF THOSE SCHOOLS INTO THE FIELD UNTIL THE CRISIS HAS PASSED.

THE ETHRENARI POSSESS AUTHORITY WITHOUT SOVEREIGNTY. THEY CANNOT COMMAND ARMIES, HOLD POLITICAL OFFICE, OR RULE THE EMPIRE. YET THEIR INFLUENCE REMAINS PROFOUND. THEY PRESERVE THE BOOK OF WEIGHING, CHALLENGE DECREES THAT THREATEN BALANCE, AND MAINTAIN THE MEMORY UPON WHICH ALL LEGITIMACY DEPENDS.

THEIR ANCIENT OATH REMAINS THE CLEAREST SUMMARY OF THEIR PURPOSE:

"I am not blade, nor fire, nor crown. I am the breath between. I do not conquer, but remember. I do not bind, but weigh. By Balance I walk, by Silence I speak. I am Ethrenari."

The Book of Weighing

THE CIRCLE OF ACCORD AND BOOK OF WEIGHING

ARTICLE VII

THE CIRCLE OF ACCORD

THE CIRCLE OF ACCORD SERVES AS THE HIGHEST GOVERNING BODY OF THE GRADARI MIRERIS. IT EXISTS AS THE MEETING POINT BETWEEN MARTIAL AUTHORITY, CIVIC ADMINISTRATION, AND DOCTRINAL OVERSIGHT, ENSURING THAT NO PILLAR OF THE EMPIRE OPERATES WITHOUT THE SCRUTINY OF THE OTHERS.

THE CIRCLE IS PRESIDED OVER BY THE PRAETORA EMPERIS AND THE PILEA GRAND DIRECTOR, ALONGSIDE SELECTED PRAETORAS, DIRECTORS, INSPECTORS, DIGNITARIES, AND REPRESENTATIVES OF THE EMPIRE'S POLITICAL BLOCS. ADVISORS OF THE ETHRENARI ARCHIVORA ATTEND AS INTERPRETERS AND CUSTODIANS OF DOCTRINE. THOUGH INFLUENTIAL, THE ARCHIVORA DO NOT RULE THROUGH THE CIRCLE, INSTEAD, THEY PRESERVE ITS MEMORY AND WEIGH ITS DECISIONS AGAINST THE PRINCIPLES OF BALANCE.

MEETINGS ARE HELD WITHIN SERAETH HALL, A CHAMBER CONSTRUCTED ACCORDING TO PRINCIPLES OF GEOMETRIC SYMMETRY INTENDED TO SYMBOLIZE EQUILIBRIUM. ALL PARTICIPANTS ENTER UNARMED AND STRIPPED OF OVERT SYMBOLS OF RANK OR MILITARY AUTHORITY. THE RITUAL EMPHASIZES THAT WITHIN THE CIRCLE, ARGUMENT MUST STAND UPON MERIT RATHER THAN FORCE.

THE CIRCLE STRIVES FOR UNANIMOUS AGREEMENT IN ALL MATTERS OF CONSEQUENCE. WHEN CONSENSUS CANNOT BE REACHED, THE MATTER IS TRANSFERRED INTO THE BOOK OF WEIGHING.

THE BOOK OF WEIGHING IS BOTH ARCHIVE AND INSTITUTION. IT SERVES AS THE EMPIRE'S FORMAL MECHANISM FOR UNRESOLVED DECISIONS, DOCTRINAL UNCERTAINTY, AND QUESTIONS WHOSE CONSEQUENCES CANNOT YET BE FULLY UNDERSTOOD. WHEN ENTERED INTO THE BOOK, A MATTER IS SEALED BY AN ETHRENARI ARCHIVORA AND PLACED INTO A PERIOD OF REFLECTION. DURING THIS INTERVAL, MEMBERS OF THE CIRCLE ARE EXPECTED TO OBSERVE THE CONSEQUENCES OF INACTION, CHANGING CIRCUMSTANCES, AND THE UNFOLDING REALITIES SURROUNDING THE ISSUE IN QUESTION.

WHEN THE PERIOD CONCLUDES, THE CIRCLE RECONVENES AND WEIGHS THE MATTER ANEW. DECISIONS THAT ACHIEVE CONSENSUS BECOME LAW. THOSE THAT REMAIN UNRESOLVED RETURN TO THE BOOK AND ENTER A STATE KNOWN AS DOCTRINE SILENCE, AWAITING A FUTURE AGE IN WHICH THE QUESTION MAY BE JUDGED WITH GREATER CLARITY.

THE BOOK OF WEIGHING IS THEREFORE MORE THAN A LEDGER OF DECISIONS. IT IS A REMINDER THAT CERTAINTY IS OFTEN DANGEROUS, THAT TIME REVEALS TRUTHS CONCEALED BY PASSION, AND THAT WISDOM REQUIRES PATIENCE. WITHIN THE EMPIRE, DELAY IS NOT REGARDED AS WEAKNESS WHEN UNDERTAKEN IN SERVICE OF BALANCE.

THE BOOK ITSELF IS HOUSED BENEATH THE CHAMBER OF SERAETH AND REMAINS UNDER THE PROTECTION OF THE ETHRENARI ARCHIVORA. EVERY MAJOR DECREE, CAMPAIGN, CRISIS, PARADOX EVENT, AND DOCTRINAL RULING IS ULTIMATELY MEASURED AGAINST ITS PAGES, ENSURING THAT THE MEMORY OF THE EMPIRE REMAINS INSEPARABLE FROM THE CONSEQUENCES OF ITS ACTIONS.

THE SACRED SCIENCE OF THE EMPIRE

AETHER IS THE PRIMORDIAL CURRENT THROUGH WHICH INTENTION, MATTER, ENERGY, AND DOCTRINE BECOME CONNECTED. IT IS OLDER THAN IMPERIAL CIVILIZATION AND DEEPER THAN ANY ORDINARY PHYSICAL FORCE. THOUGH IT MAY BE MEASURED THROUGH INSTRUMENTS, SHAPED THROUGH MACHINERY, AND STABILIZED THROUGH INSCRIPTION, AETHER IS NOT MERELY A SOURCE OF ENERGY. IT IS THE RESPONSIVE MEDIUM THROUGH WHICH THOUGHT AND REALITY EXERT PRESSURE UPON ONE ANOTHER.

EVERY LIVING MIND POSSESSES SOME RELATIONSHIP WITH AETHER, THOUGH MOST INDIVIDUALS REMAIN INCAPABLE OF PERCEIVING IT DIRECTLY. EMOTION, MEMORY, RITUAL, AND CONSCIOUS INTENTION LEAVE SUBTLE DISTURBANCES WITHIN THE AETHERIC FIELD. THESE DISTURBANCES ARE ORDINARILY TOO WEAK TO PRODUCE VISIBLE EFFECTS. UNDER SUFFICIENT CONCENTRATION, HOWEVER, THEY MAY INFLUENCE MATTER, ENERGY, PERCEPTION, AND THE ECHO REALM.

FOR THIS REASON, AETHERIC TECHNOLOGY CANNOT BE SEPARATED ENTIRELY FROM THE MINDS THAT OPERATE IT. A MACHINE MAY POSSESS FLAWLESS CONSTRUCTION AND STILL FAIL WHEN ITS USERS FALL INTO DOCTRINAL DISCORD. A DAMAGED VESSEL MAY REMAIN FUNCTIONAL WHEN ITS CREW ACTS WITH SUFFICIENT UNITY. THE EMPIRE THEREFORE REGARDS AETHER NOT AS FUEL ALONE, BUT AS A FORCE THAT MUST BE ALIGNED, INTERPRETED, AND RESTRAINED.

THE PRINCIPLES OF AETHERIUM

THE FIRST PRINCIPLE OF AETHERIUM IS THAT BALANCE IS LAW. EVERY AETHERIC SYSTEM TENDS TOWARD EQUILIBRIUM. POWER DRAWN WITHOUT COMPENSATION PRODUCES INSTABILITY ELSEWHERE. ENERGY MAY BE GATHERED, REDIRECTED, COMPRESSED, OR RELEASED, BUT NO USE OF AETHER ESCAPES CONSEQUENCE. WHEN A SYSTEM IS FORCED BEYOND ITS NATURAL MEASURE, THE RESULTING IMBALANCE MAY MANIFEST AS MECHANICAL FAILURE, HARMONIC CONTAMINATION, MEMORY DISTORTION, OR PARADOX.

THE SECOND PRINCIPLE IS THAT THOUGHT SHAPES POWER. CONSCIOUS INTENTION AFFECTS THE BEHAVIOR OF AETHER. THIS DOES NOT MEAN THAT BELIEF ALONE CAN FREELY REWRITE REALITY. THE SIX IMMUTABLE LAWS REMAIN ABSOLUTE. RATHER, INTENTION INFLUENCES HOW POWER MOVES WITHIN THOSE LAWS. RITUAL, LANGUAGE, GEOMETRY, AND INSCRIPTION PROVIDE STRUCTURE THROUGH WHICH THOUGHT CAN ACT WITHOUT DISSOLVING INTO CONTRADICTION.

THE THIRD PRINCIPLE IS THAT UNBALANCED SCIENCE BECOMES CORRUPTION. KNOWLEDGE PURSUED WITHOUT RESTRAINT MAY CREATE SYSTEMS WHOSE OPERATION EXCEEDS THE UNDERSTANDING OF THEIR CREATORS. SUCH TECHNOLOGIES MAY REMAIN FUNCTIONAL WHILE SLOWLY REWRITING THE ENVIRONMENT AROUND THEM. THE ETHRENARI DO NOT CONDEMN DISCOVERY, BUT THEY REJECT THE ASSUMPTION THAT CAPABILITY GRANTS PERMISSION.

THE FOURTH PRINCIPLE IS THAT HARMONY MUST GUIDE PROGRESS. SCIENCE, WARFARE, GOVERNANCE, ART, AND DOCTRINE CANNOT DEVELOP IN ISOLATION WITHOUT DESTABILIZING THE GREATER WHOLE. A MILITARY TECHNOLOGY THAT SECURES VICTORY WHILE DESTROYING CONTINUITY IS CONSIDERED A FAILED INVENTION. A CIVIC SYSTEM THAT CREATES ABUNDANCE WHILE ERODING MEMORY IS EQUALLY DANGEROUS. PROGRESS IS MEASURED NOT ONLY BY WHAT A CREATION ACCOMPLISHES, BUT BY WHAT IT FORCES THE UNIVERSE TO CARRY AFTERWARD.

ÆTHERIC RESONANCE

AETHER RESPONDS THROUGH RESONANCE. EVERY PERSON, OBJECT, WORLD, AND DOCTRINAL STRUCTURE POSSESSES A MEASURABLE HARMONIC CONDITION SHAPED BY ITS MATERIAL COMPOSITION, HISTORY, AND ACCUMULATED ECHOES. COMPATIBLE RESONANCES REINFORCE ONE ANOTHER. CONFLICTING RESONANCES GENERATE FRICTION, DISTORTION, OR COLLAPSE.

ETHRENARI RITES USE CONTROLLED LANGUAGE, TONE, GEOMETRY, AND MOVEMENT TO ALIGN THESE FREQUENCIES. IMPERIAL AETHERFORGES USE SIMILAR PRINCIPLES THROUGH MACHINERY, TRANSLATING DOCTRINAL HARMONICS INTO STABLE ENERGY PRODUCTION. FLEET CONDUITS, PLANETARY ANCHORS, MEDICAL SYSTEMS, AND LONG-RANGE COMMUNICATION ARRAYS ALL DEPEND UPON MAINTAINING RESONANCE WITHIN ACCEPTABLE LIMITS.

RESONANCE IS NEVER PERFECTLY STATIC. SHIPS ACQUIRE THE MEMORY OF THEIR CREWS. WEAPONS RETAIN TRACES OF REPEATED USE. CITIES DEVELOP HARMONIC IDENTITIES SHAPED BY GENERATIONS OF INHABITANTS. BATTLEFIELDS BECOME SATURATED WITH FEAR, DEATH, COMMAND, AND UNFINISHED INTENT. THIS ACCUMULATED WEIGHT EXPLAINS WHY OLD WAR ZONES FREQUENTLY PRODUCE ECHOES LONG AFTER THE MATERIAL CONFLICT HAS ENDED.

ÆTHERIC DISSONANCE

DISSONANCE OCCURS WHEN INCOMPATIBLE AETHERIC STRUCTURES ARE FORCED INTO CONTACT OR WHEN AN EXISTING HARMONIC SYSTEM LOSES COHESION. MINOR DISSONANCE MAY PRODUCE INSTRUMENT DRIFT, HEADACHES, FAILED INSCRIPTIONS, OR COMMUNICATION DISTORTION. SEVERE DISSONANCE MAY ALTER MEMORY, FRACTURE PERCEPTION, DEFORM MATTER, OR DESYNCHRONIZE THE MATERIAL PLANE FROM THE ECHO REALM.

PROLONGED EXPOSURE CAN LEAVE PERSONNEL DOCTRINE-BROKEN. SUCH INDIVIDUALS MAY EXPERIENCE REPEATED MEMORIES, EMOTIONAL DISPLACEMENT, PHANTOM VOICES, TEMPORAL CONFUSION, OR LOSS OF PERSONAL CONTINUITY. THESE INJURIES ARE NOT TREATED AS SUPERSTITION OR WEAKNESS. THEY ARE RECOGNIZED AS DAMAGE INFLICTED UPON THE RELATIONSHIP BETWEEN MIND, MEMORY, AND REALITY.

CONTAINMENT USUALLY REQUIRES HARMONIC ISOLATION, CONTROLLED SILENCE, OR INTERVENTION BY AN ETHRENARI REMEDIANT. DESTRUCTION MAY HALT THE MATERIAL SOURCE OF CONTAMINATION, BUT IT DOES NOT GUARANTEE THAT THE ECHO HAS BEEN ERASED.

ÆTHERFORGES

AETHERFORGES ARE AMONG THE MOST IMPORTANT TECHNOLOGIES OF GRADARI MIRERIS. THEY DRAW ENERGY FROM CONTROLLED AETHERIC EXCHANGE AND CONVERT IT INTO USABLE POWER FOR CITIES, FLEETS, VEHICLES, WEAPONS, AND PLANETARY INFRASTRUCTURE. DESPITE THEIR INDUSTRIAL ROLE, THEY ARE NOT REGARDED AS ORDINARY REACTORS.

EACH AETHERFORGE MUST BE ALIGNED TO ITS SURROUNDING ENVIRONMENT. ITS INSCRIPTIONS, CONTAINMENT GEOMETRY, AND HARMONIC CYCLES ARE CALIBRATED TO LOCAL CONDITIONS. A FORGE MOVED BETWEEN WORLDS WITHOUT PROPER REWEIGHING MAY FUNCTION UNPREDICTABLY BECAUSE THE MEMORY AND RESONANCE OF ITS ORIGINAL LOCATION REMAIN EMBEDDED WITHIN ITS STRUCTURE.

LARGE AETHERFORGE SANCTUMS ARE MAINTAINED UNDER JOINT TECHNICAL AND ETHRENARI SUPERVISION. WITHIN THEM, DAMAGED REACTORS ARE STABILIZED, CONTAMINATED MACHINERY IS PURIFIED, AND PLANETARY SYSTEMS WOUNDED BY DOCTRINAL EVENTS MAY BE SLOWLY RESTORED. THESE SANCTUMS RESEMBLE INDUSTRIAL COMPLEXES, HOSPITALS, AND TEMPLES AT ONCE. THE MACHINERY IS IMMENSE, BUT THE WORK IS CONDUCTED IN QUIET.

THE BOOK OF CALCULUS

THE BOOK OF CALCULUS IS A SEALED ANNEX ASSOCIATED WITH THE BOOK OF WEIGHING. IT CONTAINS EQUATIONS, METHODS, AND AETHERIC STRUCTURES JUDGED TOO UNSTABLE FOR GENERAL USE. ITS CONTENTS INCLUDE FORBIDDEN RESONANCE SEQUENCES, METHODS OF TEMPORAL COMPRESSION, EXPERIMENTAL THRESHOLD CALCULATIONS, STELLAR MANIPULATION PRINCIPLES, AND DESIGNS WHOSE SUCCESSFUL OPERATION REMAINS INSEPARABLE FROM CATASTROPHIC RISK.

ACCESS IS RESTRICTED TO AUTHORIZED ARCHIVORA AEONIS AND THE HIGHEST IMPERIAL AUTHORITY. EVEN WITHIN THESE RANKS, NO ENTRY MAY BE STUDIED ALONE. OBSERVATION ITSELF MAY ALTER THE BEHAVIOR OF CERTAIN INSCRIPTIONS, AND SEVERAL CALCULATIONS ARE KNOWN TO REACT DIFFERENTLY DEPENDING UPON WHO ATTEMPTS TO UNDERSTAND THEM.

THE BOOK IS NOT FORBIDDEN BECAUSE EVERY ENTRY IS EVIL. IT IS FORBIDDEN BECAUSE SOME KNOWLEDGE BEGINS EXERTING PRESSURE UPON REALITY THE MOMENT IT IS COMPREHENDED.

AETHERIUM AND IMPERIAL TECHNOLOGY

MOST ADVANCED IMPERIAL SYSTEMS RELY UPON AETHERIUM TO SOME DEGREE. LONG-VOID TRAVEL REQUIRES HARMONICS CAPABLE OF PRESERVING CONTINUITY ACROSS EXTREME DISTANCE. DOCTRINE FRIGATES MAINTAIN LOCAL COHERENCE DURING PARADOX EXPOSURE. COMMUNICATION ARRAYS USE RESONANCE TO CARRY MEANING WHERE ORDINARY TRANSMISSION BECOMES UNRELIABLE. MEDICAL SYSTEMS STABILIZE NOT ONLY FLESH, BUT THE MEMORY THROUGH WHICH FLESH RETAINS ITS FORM.

MILITARY APPLICATIONS REMAIN HEAVILY REGULATED. AETHERIC WEAPONS CAN DAMAGE MORE THAN ARMOR OR TISSUE. THEY MAY DISRUPT ECHOES, SEVER IDENTITY, PREVENT REGENERATION, OR LEAVE AREAS INCAPABLE OF REMEMBERING THEIR FORMER CONDITION. SUCH WEAPONS ARE EFFECTIVE AGAINST PARADOX ENTITIES AND DOCTRINAL CORRUPTION, BUT THEIR USE RISKS CREATING WOUNDS THAT CONVENTIONAL RECONSTRUCTION CANNOT REPAIR.

FOR THIS REASON, AETHERIUM REMAINS BOTH THE FOUNDATION OF IMPERIAL POWER AND ONE OF ITS GREATEST SOURCES OF FEAR. THE EMPIRE COULD NOT ENDURE WITHOUT IT. NEITHER CAN IT EVER FULLY TRUST WHAT IT HAS LEARNED TO COMMAND.

THE ETHRENARI FINDING

AETHER IS NOT OBEDIENT, BUT IT CAN BE [REDACTED] IT MAY ANSWER THE WILL OF A TRAINED MIND OR FLOW THROUGH THE ARCHITECTURE OF AN ENGINEERED MACHINE. YET EVERY USE LEAVES RESIDUE. EVERY ACT OF CONTROL BECOMES PART OF THE FIELD BEING CONTROLLED.

THE ETHRENARI THEREFORE REJECT THE LANGUAGE OF MASTERY. TO CLAIM MASTERY OVER AETHER IS TO MISTAKE TEMPORARY AGREEMENT FOR SUBMISSION.

THE ETHRENARI MAINTAIN [REDACTED] THAT IMPOSED IT: [REDACTED]

[REDACTED] REPEATED USE MAY PRODUCE [REDACTED]

[REDACTED] MEMORY MAY RESIST NEW INSTRUCTION, [REDACTED]

[REDACTED] LONG AFTER THEIR DEATHS.

THE IMPERIAL CIVIC PROTECTION FRAMEWORK

ARTICLE VII GMISC & GMDA

THE CIVIC THRESHOLD BETWEEN LAW AND WAR. THROUGH THE GRADARI MIRERIS INTERNAL SECURITY CORE AND THE GRADARI MIRERIS DEFENSE AUTHORITY, THE EMPIRE PRESERVES ORDER, EMERGENCY RESPONSE AND CIVIC CONTINUITY ACROSS ITS SECTORS.

"ORDER BEGINS NOT WITH THE SWORD, BUT WITH THOSE SENT TO STAND
BEFORE IT IS DRAWN."

BOOK OF WEIGHING, CANTICLE VII:12

THE IMPERIAL CIVIC PROTECTION FRAMEWORK

ARTICLE VII

THE IMPERIAL CIVIC PROTECTION FRAMEWORK IS THE PRIMARY SYSTEM THROUGH WHICH THE GRADARI MIRERIS EMPIRE PRESERVES LAW, PUBLIC SAFETY, AND CIVIL CONTINUITY ACROSS ITS POPULATED TERRITORIES. IT OPERATES BENEATH THE PILEA AND SERVES AS THE PRACTICAL ARM OF THE CIVIL PILLAR, ANSWERING THE DAILY VIOLENCE, DISASTER, AND INSTABILITY THAT CANNOT BE RESOLVED THROUGH DOCTRINE OR MILITARY FORCE ALONE.

THE FRAMEWORK CONSISTS OF TWO INTERLOCKING ORGANIZATIONS: THE GRADARI MIRERIS INTERNAL SECURITY CORPS, OR GMISC, AND THE GRADARI MIRERIS DEFENCE AUTHORITY, OR GMDA.

THE GMISC MAINTAINS ORDINARY CIVIL ORDER. ITS PERSONNEL PATROL CITIES, ENFORCE WARRANTS, PROCESS LEGAL ACTIONS, RESPOND TO EMERGENCIES, EXTRACT THE WOUNDED, AND CONTAIN FIRES OR STRUCTURAL DISASTERS. THE GMDA SERVES AS THE HEAVIER CIVIL COUNTERWEIGHT, DEPLOYING TO FRONTIER SETTLEMENTS, MASS DISTURBANCES, FORTIFIED CRISES, AND SITUATIONS IN WHICH CIVILIAN AUTHORITY IS FAILING BUT FULL MILITARY INTERVENTION REMAINS UNWARRANTED.

BOTH ORGANIZATIONS FALL UNDER PILEAN ADMINISTRATION. DURING SEVERE EMERGENCIES, THEY MAY RECEIVE PROVISIONAL SUPPORT OR CROSS-AUTHORIZATION FROM PRAETORA AUTHORITIES. NEITHER ORGANIZATION POSSESSES THE RIGHT TO INTERPRET DOCTRINE, CONDUCT DOCTRINAL JUDGMENTS, OR ASSUME ETHRENARI AUTHORITY.

THE GRADARI MIRERIS INTERNAL SECURITY CORPS

DESIGNATION: CIVIC ENFORCEMENT SANCTUM

MANDATE: INTERNAL STABILITY, CIVIL LAW ENFORCEMENT, AND EMERGENCY RESPONSE

OPERATIONAL SCALE: DISTRICT AND SECTOR

PILLAR ALIGNMENT: PILEA

OVERSIGHT: CIRCLE OF ACCORD, CIVIL HARMONY DIVISION

THE GRADARI MIRERIS INTERNAL SECURITY CORPS IS THE EMPIRE'S FIRST CIVIL RESPONSE TO DISORDER. IT OPERATES WITHIN INHABITED DISTRICTS, SETTLEMENTS, TRANSPORT CORRIDORS, INDUSTRIAL ZONES, AND PROVINCIAL CENTERS. ITS PURPOSE IS NOT CONQUEST OR POLITICAL SUPPRESSION, BUT THE PRESERVATION OF FUNCTIONAL CIVIL LIFE.

IN THE INNER SYSTEMS, THE GMISC IS OFTEN THE MOST VISIBLE EXPRESSION OF IMPERIAL GOVERNMENT. CITIZENS MAY NEVER ENCOUNTER A PRAETORA OR AN ETHRENARI, BUT THEY SEE PATROL OFFICERS BENEATH BROKEN TRANSIT LAMPS, INVESTIGATORS CARRYING SEALED WRITS INTO FACTORIES, TARNIX RESPONDERS LIFTING BODIES FROM WRECKAGE, AND INFERNO CREWS STANDING BEHIND HEAT SHIELDS WHILE ARCOLOGIES BURN.

THE CORPS IS GOVERNED FROM THE OFFICE OF INTERNAL SECURITY UNDER THE AUTHORITY OF THE CONSTABLE PRIMUS. SECTOR CONSTABULARIES SERVE EACH OF THE SEVEN SECTORS, WHILE DISTRICT ENFORCEMENT NODES MAINTAIN LOCAL PRESENCE THROUGHOUT INHABITED DISTRICTS.

PATROL AND ENFORCEMENT DIVISION

THE GRADARI MIRERIS PATROL AND ENFORCEMENT DIVISION, COMMONLY ABBREVIATED AS **GMISC-PED**, IS THE PRIMARY UNIFORMED CIVIL-ENFORCEMENT BODY OF THE EMPIRE.

GMISC-ICPF

THE IMPERIAL CIVIC PROTECTION FRAMEWORK

ITS PERSONNEL CONDUCT URBAN AND RURAL PATROLS, EXECUTE ARRESTS AND WARRANTS, REGULATE TRAFFIC CORRIDORS, TRANSFER DETAINEES, CONTROL CROWDS, AND PROVIDE THE FIRST ORGANIZED RESPONSE DURING CIVIL UNREST. IN FRONTIER DISTRICTS, PED UNITS MAY OPERATE ACROSS ENORMOUS TERRITORIES WITH LITTLE IMMEDIATE REINFORCEMENT. THEIR AUTHORITY REMAINS CIVIL, BUT THE CONDITIONS SURROUNDING THEM ARE FREQUENTLY CLOSER TO OCCUPATION THAN ORDINARY POLICING.

PED OFFICERS ARE EXPECTED TO STABILIZE A SCENE BEFORE JUDGMENT OCCURS. THEY SECURE WITNESSES, SEPARATE COMBATANTS, PRESERVE EVIDENCE, AND HOLD GROUND UNTIL INVESTIGATORS, MEDICS, OR HEAVIER FORCES ARRIVE.

THEY ARE THE BOOTS ON THE GROUND. THE FIRST IMPERIAL SEAL MOST CITIZENS SEE AND OFTEN AVOID THE MOST.

CIVIC ENFORCEMENT BUREAU

THE GRADARI MIRERIS CIVIC ENFORCEMENT BUREAU, OR **GMISC-CEB**, FORMS THE ADMINISTRATIVE AND INVESTIGATIVE CENTER OF THE CORPS.

THE BUREAU PROCESSES CASES AND EVIDENCE, ENFORCES CIVIL CODES, CONDUCTS REGULATORY INSPECTIONS, ADMINISTERS LICENSING AND FINES, ISSUES JUDICIAL SUMMONS, AND COORDINATES WITH PILEAN MAGISTRATES ACROSS SECTOR BOUNDARIES. IT ALSO MONITORS COMPLIANCE BY THE PATROL AND ENFORCEMENT DIVISION AND MAINTAINS THE RECORDS THROUGH WHICH LOCAL INCIDENTS BECOME IMPERIAL CASES.

THE CEB RARELY CARRIES THE VISIBLE AUTHORITY OF A PATROL COLUMN. ITS POWER LIES IN FILES, WARRANTS, AUDIT TRAILS, PROPERTY SEIZURES, AND PROCEDURAL DELAY. ENTIRE DISTRICTS MAY BE ALTERED BY DECISIONS MADE IN SEALED OFFICES FAR FROM THE STREET.

THE BUREAU IS THE QUIET MACHINERY BEHIND EVERY CITATION, CIVIL WRIT, AND ADMINISTRATIVE JUDGMENT—AN INSTITUTION OF PAPER, COLD LIGHT, AND ACCUMULATED CONSEQUENCE.

TARNIX CORPS

THE GRADARI MIRERIS TARNIX CORPS, DESIGNATED **GMISC-TC**, IS THE MEDICAL-RESPONSE WING OF THE CIVIL-PROTECTION SYSTEM.

ITS DUTIES INCLUDE EMERGENCY MEDICAL RESPONSE, TRAUMA EXTRACTION, MASS-CASUALTY TRIAGE, DISASTER STABILIZATION, AND THE MOVEMENT OF WOUNDED CIVILIANS THROUGH UNSAFE ENVIRONMENTS. TARNIX PERSONNEL MAY ALSO TREAT LIMITED AETHER-ADJACENT CONTAMINATION, PROVIDED THE INCIDENT HAS NOT CROSSED INTO FORMAL DOCTRINAL JURISDICTION.

THE CORPS TAKES ITS NAME FROM THE TARNIX WARDS, WHOSE METHODS ESTABLISHED THE IMPERIAL TRADITION OF PRESERVING LIFE BEFORE DETERMINING BLAME. TARNIX RESPONDERS OPERATE IN CONDITIONS WHERE STREETS REMAIN UNSECURED, STRUCTURES ARE FAILING, OR VIOLENCE HAS NOT FULLY CEASED.

THEIR WORK IS PRACTICAL AND WITHOUT CEREMONY. THEY DO NOT WEIGH INNOCENCE BEFORE APPLYING PRESSURE TO A WOUND.

INFERNO CORPS

THE GRADARI MIRERIS INFERNO CORPS, DESIGNATED **GMISC-IC**, IS RESPONSIBLE FOR FIRE SUPPRESSION, HAZARDOUS-ENVIRONMENT CONTROL, STRUCTURAL RESCUE, AND CATASTROPHIC INDUSTRIAL RESPONSE.

ITS PERSONNEL RESPOND TO ARCOLOGY FIRES, REFINERY FAILURES, COLLAPSING STRUCTURES, SHIP-DOCK ACCIDENTS, ATMOSPHERIC CONTAMINATION, AND MAJOR CRASH SITES. INFERNO UNITS ARE TRAINED TO ISOLATE DAMAGED ZONES, EVACUATE POPULATIONS, SUPPRESS SECONDARY FAILURES, AND PRESERVE WHATEVER INFRASTRUCTURE CAN STILL BE SAVED.

THEIR WORK IS ESPECIALLY SEVERE WITHIN OLD IMPERIAL CITIES, WHERE CENTURIES OF CONSTRUCTION LIE STACKED OVER FORGOTTEN MACHINERY. A FIRE MAY BREACH ABANDONED CONDUITS, SEALED ARCHIVES, FUEL LINES, OR SYSTEMS WHOSE ORIGINAL PURPOSE HAS BEEN LOST.

GMISC-ICPF

THE IMPERIAL CIVIC PROTECTION FRAMEWORK

THE GRADARI MIRERIS DEFENCE AUTHORITY

CIVIL DEFENCE COMMAND
HIGH-THREAT CRISIS RESPONSE, ARMORED CIVIL SECURITY, AND FRONTIER ENFORCEMENT
FRONTIER AND HIGH-RISK DISTRICTS
PILEAN-MARTIAL INTERFACE

THE GRADARI MIRERIS DEFENCE AUTHORITY EXISTS BETWEEN ORDINARY LAW ENFORCEMENT AND MILITARY INTERVENTION.

IT IS ACTIVATED WHEN THE GMISC LACKS THE PERSONNEL, PROTECTION, OR FORCE NECESSARY TO CONTAIN A CRISIS, BUT THE DEPLOYMENT OF A DEPHORTI WOULD BE EXCESSIVE OR POLITICALLY DESTABILIZING. THE GMDA REINFORCES COLLAPSING CIVIL AUTHORITY WITHOUT IMMEDIATELY CONVERTING A DISTRICT INTO A WAR ZONE.

ITS FORMATIONS RESPOND TO FORTIFIED CRIMINAL NETWORKS, FRONTIER ATTACKS, LARGE-SCALE DISTURBANCES, ARMED CIVIL BREAKDOWN, CONVOY CRISES, MAJOR DISASTERS, AND PERIMETER THREATS. IT POSSESSES ARMORED VEHICLES AND HEAVIER EQUIPMENT THAN THE GMISC BUT REMAINS LEGALLY BOUND TO CIVIL OBJECTIVES.

THE AUTHORITY IS DIRECTED BY THE **DEFENCE WARDEN PRIMUS** THROUGH THE GMDA CENTRAL OFFICE. BENEATH THIS OFFICE OPERATE CIVIC REGIONAL GUARD UNITS, ATTACHED ARMORED COLUMNS, AND FRONTIER WATCH POSTS POSITIONED ALONG VULNERABLE SECTOR BOUNDARIES.

CIVIC REGIONAL GUARD

THE GRADARI MIRERIS CIVIC REGIONAL GUARD, OR **GMDA-CRG**, IS THE PRINCIPAL OPERATIONAL ARM OF THE DEFENCE AUTHORITY.

ITS ROLE IS MILITARIZED CIVIL PROTECTION RATHER THAN CONVENTIONAL WARFARE. CRG UNITS CONDUCT HIGH-RISK WARRANT OPERATIONS, REINFORCE PED PERSONNEL DURING MAJOR DISTURBANCES, CONTAIN RIOTS AND INSURRECTIONS BELOW THE MILITARY THRESHOLD, SECURE CORRIDORS, PERFORM ARMORED EVACUATIONS, AND ESTABLISH DEFENSIVE PERIMETERS DURING REGIONAL EMERGENCIES.

WHERE NECESSARY, THE GUARD MAY OPERATE JOINTLY WITH DEPHORTI FORCES AFTER FORMAL ESCALATION. UNTIL THAT POINT, ITS PRESENCE SIGNALS THAT CIVIL AUTHORITY STILL CLAIMS CONTROL.

COMMON CRG ASSETS INCLUDE LIGHT ARMORED CARRIERS, NON-DOCTRINAL RIOT-SUPPRESSION SYSTEMS, ARMORED EXTRACTION VEHICLES, FORTIFIED TRANSPORTS, AND MOBILE COMMAND ELEMENTS. THESE ASSETS ARE BUILT TO HOLD STREETS, MOVE PERSONNEL THROUGH HOSTILE ZONES, AND ABSORB VIOLENCE WITHOUT IMMEDIATELY ANSWERING IT WITH BATTLEFIELD FORCE.

ESCALATION OF CIVIL FORCE

IMPERIAL CIVIL PROTECTION FOLLOWS A DEFINED ESCALATION CHAIN.

THE GMISC RESPONDS FIRST, HANDLING LOCAL LAW, EMERGENCY INTERVENTION, MEDICAL RESCUE, AND CIVIL STABILIZATION. WITHIN THE CORPS, THE PATROL AND ENFORCEMENT DIVISION ESTABLISHES CONTROL, THE CIVIC ENFORCEMENT BUREAU PROCESSES LAW AND EVIDENCE, AND THE TARNIX OR INFERNO CORPS RESPOND ACCORDING TO THE NATURE OF THE EMERGENCY.

THE GMDA DEPLOYS WHEN THE GMISC IS OVERWHELMED OR WHEN THE THREAT REQUIRES ARMORED REINFORCEMENT, FRONTIER SECURITY, OR COORDINATED CRISIS CONTAINMENT. THE DEPHORTI GROUND CORPS IS INVOKED ONLY WHEN THE THREAT CROSSES INTO SUSTAINED ARMED CONFLICT, ORGANIZED INSURRECTION, INVASION, OR DOCTRINAL COMPROMISE. THIS STRUCTURE EXISTS TO PREVENT EVERY CIVIL DISTURBANCE FROM BECOMING A MILITARY CAMPAIGN. IT ALSO PREVENTS THE PILEA FROM QUIETLY CONSTRUCTING AN ARMY UNDER THE LANGUAGE OF PUBLIC SAFETY.

NO CIVIL BRANCH MAY DECLARE A DOCTRINAL EVENT. WHEN REALITY INSTABILITY, PARADOX, OR DOCTRINAL CONTAMINATION IS

GMISC-ICPF

THE IMPERIAL CIVIC PROTECTION FRAMEWORK

SUSPECTED, THE SITE MUST BE ISOLATED UNTIL THE ETHRENARI ASSUME JURISDICTION.

THE SEVEN CIVIC PROTECTION COMPLEXES

EACH OF THE SEVEN IMPERIAL SECTORS MAINTAINS A UNIFIED CIVIC PROTECTION COMPLEX CONTAINING THE ADMINISTRATIVE, OPERATIONAL, AND EMERGENCY-COMMAND FUNCTIONS OF BOTH THE GRADARI MIRERIS INTERNAL SECURITY CORPS AND THE GRADARI MIRERIS DEFENCE AUTHORITY. THESE COMPLEXES ALLOW THE TWO CIVIL-PROTECTION BRANCHES TO OPERATE FROM A SHARED COMMAND STRUCTURE WHILE PRESERVING THEIR SEPARATE MANDATES.

THE GMISC WINGS OVERSEE LAW ENFORCEMENT, INVESTIGATION, EMERGENCY MEDICINE, FIRE RESPONSE, DETENTION, AND DISTRICT ADMINISTRATION. THE GMDA WINGS MAINTAIN ARMORED RESPONSE UNITS, FRONTIER-WATCH COORDINATION, CRISIS RESERVES, AND THE COMMAND FACILITIES REQUIRED WHEN ORDINARY CIVIL ENFORCEMENT BEGINS TO FAIL. THIS SHARED STRUCTURE SHORTENS THE EMPIRE'S ESCALATION CHAIN: LOCAL INCIDENTS ENTER THROUGH GMISC AUTHORITY, MAJOR CRISES PASS INTO GMDA CONTROL, AND ONLY THREATS EXCEEDING THE CIVIL THRESHOLD ARE TRANSFERRED TO THE DEPHORTI GROUND CORPS. NEITHER BRANCH MAY CLAIM DOCTRINAL JURISDICTION. SUSPECTED PARADOX OR DOCTRINAL EVENTS MUST BE ISOLATED FOR ETHRENARI INTERVENTION.

EACH COMPLEX FOLLOWS THE SAME BROAD ADMINISTRATIVE PURPOSE THEIR ARCHITECTURE, STAFFING, AND OPERATIONAL CHARACTER REFLECT THE CONDITIONS OF THE SECTOR THEY PROTECT.

SECTOR 01 - ORDINANCE COURT CIVIL BASTION

THE OLDEST AND MOST TRADITIONAL CIVIC COMPLEX, SERVING AS THE ADMINISTRATIVE STANDARD AGAINST WHICH LATER BASTIONS WERE MEASURED.

SECTOR 02 - BASTION OF LANTERN HOLD

A HEAVY CASE-PROCESSING CENTER ILLUMINATED BY AGING HARMONIC LAMPS, ITS LOWER HALLS FILLED WITH EVIDENCE VAULTS AND UNRESOLVED WARRANTS.

SECTOR 03 - ASH-SPAN BASTION AND SECURITY DEPOT

CONSTRUCTED OVER VITRIFIED GROUND AND USED EXTENSIVELY FOR FRONTIER-SPILLOVER ARRESTS, TRANSPORT SEIZURES, AND EMERGENCY STAGING.

SECTOR 04 - SPINWATCH CIVIL BASTION

BUILT ALONG A RIDGE OF FUSED STONE OVERLOOKING SCATTERED SETTLEMENT BELTS AND UNSTABLE ROUTES THROUGH THE VARN'CATH REGION.

SECTOR 05 - NULL-GARRISON CIVIL BASTION

SPECIALIZED IN EVACUATIONS, ENVIRONMENTAL HAZARDS, AND INCIDENTS EMERGING FROM THE NEARBY NULL-LIGHT DISTRICTS.

SECTOR 06 - COURT OF FRACTURE TARSEN

ONE OF THE BUSIEST COMPLEXES IN THE EMPIRE, RESPONSIBLE FOR MIGRATION CASES, CONVOY DISPUTES, FRONTIER CRIME, AND COMMERCIAL TRANSIT INCIDENTS.

SECTOR 07 - THE GRAND REGISTRY OF CIVIC PROTECTION

THE IMPERIAL HEADQUARTERS OF THE ENTIRE CIVIC PROTECTION FRAMEWORK AND CENTRAL AUTHORITY OVER SECTOR-LEVEL CIVIL SECURITY ADMINISTRATION.

THOUGH BUILT TO A COMMON IMPERIAL STANDARD, EVERY COMPLEX REFLECTS THE CONDITIONS OF ITS SECTOR. SOME FUNCTION PRIMARILY AS COURTS AND REGISTRIES, WHILE OTHERS RESEMBLE FORTIFIED DEPOTS, FRONTIER GARRISONS, OR DISASTER-RESPONSE CENTERS. TOGETHER THEY FORM THE CIVIL THRESHOLD BETWEEN ORDINARY LAW ENFORCEMENT AND MILITARY INTERVENTION, ENSURING THAT DISORDER IS CONTAINED, RECORDED, AND WEIGHED BEFORE RESPONSIBILITY PASSES TO THE DEPHORTI.

GRADARI MIRIERS RESERVE AUTHORITY

I

ARTICLE IX THE GRADARI MIRERIS RESERVE AUTHORITY

THE GMRA IS THE EMPIRE'S CENTRAL FINANCIAL AUTHORITY, CONTROLLING THE
IMPERIAL AUREUM, REGULATING FACTIONAL BANKS, OVERSEEING RESERVE
ALLOCATIONS, AND USING DEBT AS AN INSTRUMENT OF POLITICAL
COMPLIANCE.

GRADARI MIRIERS RESERVE AUTHORITY

II

THE DOCTRINE OF COIN AND BALANCE

THE GRADARI MIRERIS RESERVE AUTHORITY, COMMONLY ABBREVIATED AS THE GMRA, IS THE CENTRAL FINANCIAL INSTITUTION OF THE EMPIRE. IT WAS ESTABLISHED UNDER THE CIRCLE OF ACCORD AND SANCTIONED BY THE EMPERIS TO MAINTAIN ECONOMIC CONTINUITY ACROSS THE IMPERIAL TERRITORIES.

THE GMRA DOES NOT VIEW CURRENCY AS A NEUTRAL TOOL OF EXCHANGE. WITHIN IMPERIAL DOCTRINE, MONEY REPRESENTS STORED OBLIGATION. EVERY PAYMENT RECORDS LABOR, DEBT, ACCESS, AND DEPENDENCE. ECONOMIC COLLAPSE IS THEREFORE TREATED AS MORE THAN ADMINISTRATIVE FAILURE. IT IS CONSIDERED A FORM OF IMBALANCE CAPABLE OF SPREADING UNREST ACROSS HOUSES, MILITARY FORMATIONS, CIVIL INSTITUTIONS, AND ENTIRE SECTORS.

THE AUTHORITY MAINTAINS THE SOLE RECOGNIZED IMPERIAL CURRENCY, THE IMPERIAL AUREUM, AND REGULATES ITS ISSUANCE ACROSS ALL FACTIONAL AND PROVINCIAL BANKS. EVERY HOUSE, BLOC, MILITARY FORMATION, AND CIVIL ADMINISTRATION MAINTAINS ITS OWN ACCOUNTS, BUT ALL RECOGNIZED BALANCES MUST ULTIMATELY BE RECONCILED THROUGH THE GMRA.

THE INSTITUTION IS OVERSEEN BY THE HIGH RESERVE MAGISTRATE, WHO HOLDS THE DOCTRINAL SEAL OF THE AUREUM SANCTUM AND REPORTS DIRECTLY TO THE CIRCLE OF ACCORD AND THE EMPERIS. ADDITIONAL OVERSIGHT MAY BE EXERCISED BY PILEA TRADE ASSESSORS, THE PRAETORA VICTORUM, AND EMBEDDED ETHRENARI ARCHIVORA WHERE FINANCIAL DECISIONS CARRY STRATEGIC OR DOCTRINAL CONSEQUENCE.

AUTHORITY AND FUNCTION

THE GMRA POSSESSES EXCLUSIVE AUTHORITY TO ISSUE, REGULATE, AND WITHDRAW AUREUM FROM CIRCULATION. NO RECOGNIZED IMPERIAL BANK MAY INDEPENDENTLY MINT CURRENCY OR MAINTAIN RESERVES OUTSIDE THE AUTHORITY'S RECONCILED LEDGERS.

THE GMRA ALSO PROVIDES CENTRAL FINANCIAL ASSISTANCE TO HOUSES, CIVIL ADMINISTRATIONS, MILITARY COMMANDS, AND SANCTIONED FACTIONS. SUCH ASSISTANCE IS NEVER GRANTED WITHOUT WEIGHT. ALLOCATIONS MAY BE BOUND TO REPAYMENT, POLITICAL CONCESSION, RESOURCE TRANSFER, MILITARY SERVICE, OR DOCTRINAL OBLIGATION.

THROUGH THESE MECHANISMS, THE GMRA MAINTAINS STABILITY WHILE QUIETLY DRAWING REGIONAL INSTITUTIONS INTO GREATER DEPENDENCE UPON THE IMPERIAL CENTER.

UNDER CIRCLE DIRECTIVE, THE AUTHORITY MAY FREEZE ACCOUNTS, SUSPEND TRANSFERS, RESTRICT LENDING, IMPOSE AUSTERITY, OR HALT MILITARY EXPENDITURES. A BALANCE AUDITOR CAN THEREFORE STOP A CAMPAIGN WITHOUT FIRING A WEAPON SIMPLY BY SEVERING ITS ACCESS TO WAGES, FUEL, REPAIRS, AND SUPPLY CONTRACTS.

THE SHADOW MANDATE IS ENFORCED AS EFFECTIVELY THROUGH DEBT AS THROUGH MILITARY COMMAND. PROVINCES THAT RESIST DIRECT AUTHORITY MAY STILL BE BOUND THROUGH LOANS, RESERVE ACCESS, AND DEPENDENCY UPON IMPERIAL RELIEF.

THE IMPERIAL AUREUM

THE IMPERIAL AUREUM IS THE SOLE AUTHORIZED CURRENCY OF GRADARI MIRERIS.

ITS LEDGER SYMBOL IS $\mathfrak{A}$, USED IN CONTRACTS, REQUISITIONS, TAXATION RECORDS, MILITARY ALLOCATIONS, AND CIVIL ACCOUNTS. THE DOCTRINAL SEAL $\mathfrak{A}$ APPEARS UPON MINTED AUREUM, FINANCIAL PROCLAMATIONS, AND SECURED RESERVE DOCUMENTS. THE SEAL REPRESENTS THE TRI-SCALE OF BALANCE AND THE THREE AUTHORITIES WHOSE STABILITY SUPPORTS IMPERIAL VALUE.

THE AUREUM POSSESSES NO FORMALLY RECOGNIZED SUBDIVISION. ALL DEBTS, WAGES, TAXES, AND PURCHASES ARE MEASURED DIRECTLY IN AUREUM. DECIMAL NOTATION MAY BE USED IN LEDGERS, BUT NO LESSER CURRENCY POSSESSES INDEPENDENT DOCTRINAL STANDING.

EVERY AUREUM IS NUMERICALLY REGISTERED AND RITUALLY INSCRIBED. COUNTERFEITING IS THEREFORE TREATED NOT ONLY AS FRAUD, BUT AS AN ATTACK UPON THE RECORDED BALANCE OF THE EMPIRE. FALSE ISSUANCE CORRUPTS THE CONNECTION BETWEEN VALUE, LABOR, AND OBLIGATION AND IS CLASSIFIED AS FINANCIAL HERESY.

GRADARI MIRIERS RESERVE AUTHORITY

III

ECONOMIC CONTROL AND IMPERIAL POWER

THE GMRA OFFICIALLY EXISTS TO PREVENT COLLAPSE, STABILIZE TRADE, AND MAINTAIN CONSISTENT VALUE ACROSS THE IMPERIAL TERRITORIES. IT REGULATES FACTIONAL BANKS, RECONCILES HOUSE ACCOUNTS, CONTROLS THE ISSUANCE OF AUREUM, AND PROVIDES CENTRAL FINANCIAL ASSISTANCE WHERE THE CIRCLE DETERMINES THAT FAILURE WOULD THREATEN IMPERIAL CONTINUITY. SUCH ASSISTANCE IS NEVER NEUTRAL. EVERY ALLOCATION IS WEIGHED, RECORDED, AND BOUND TO REPAYMENT, SERVICE, POLITICAL CONCESSION, OR SOME OTHER FORM OF OBLIGATION.

IN PRACTICE, THIS MAKES THE GMRA ONE OF THE STRONGEST INSTRUMENTS OF CENTRALIZATION AVAILABLE TO THE THRONE. A REBELLIOUS HOUSE MAY RESIST A PRAETORA DECREE, FORTIFY ITS WORLDS, APPEAL TO THE PILEA, OR CONCEAL MILITARY ASSETS. IT CANNOT EASILY SURVIVE THE FREEZING OF ITS ACCOUNTS, THE LOSS OF EXTERNAL CREDIT, OR THE SUSPENSION OF MILITARY PROVISIONING. FLEETS REQUIRE AUREUM FOR REPAIR AND RECRUITMENT. DEPHORTI DEPEND UPON IT FOR SUPPLY, TRANSPORT, AND REPLACEMENT EQUIPMENT. CIVIL ADMINISTRATIONS REQUIRE IT TO MAINTAIN HOUSING, INFRASTRUCTURE, AND PUBLIC SERVICES. BECAUSE ALL RECOGNIZED ACCOUNTS ARE RECONCILED THROUGH THE GMRA, REFUSAL CARRIES CONSEQUENCES THAT SPREAD BEYOND THE INSTITUTION BEING PUNISHED.

THE AUTHORITY'S MOST FEARED AGENTS ARE THE BALANCE AUDITORS. THESE INVESTIGATORS MAY ENTER POLITICAL CENTERS, WARZONES, OR FACTIONAL BANKS TO TRACE IRREGULARITIES AND ASSESS FINANCIAL STABILITY. UNDER CIRCLE AUTHORITY, THEY MAY SUSPEND AUREUM TRANSFERS UNTIL REVIEW IS COMPLETE. A SINGLE AUDIT CAN DELAY A CAMPAIGN, IMMOBILIZE A FLEET, OR FORCE A HOUSE INTO NEGOTIATION WITHOUT A SHOT BEING FIRED. IN THIS WAY, THE GMRA RARELY CONQUERS THROUGH FORCE. IT BINDS THROUGH DEPENDENCY.

THIS POWER ALIGNS NATURALLY WITH THE SHADOW MANDATE OF THE PRAETORA EMPERIS. LOANS, AUSTERITY DECREES, DEBT OBLIGATIONS, AND RESERVE RESTRICTIONS PROVIDE METHODS OF CONTROL LESS VISIBLE THAN OCCUPATION. A PROVINCE MAY RETAIN ITS BANNERS, LOCAL RULERS, AND CEREMONIAL INDEPENDENCE WHILE BECOMING WHOLLY DEPENDENT UPON IMPERIAL CREDIT. A HOUSE MAY APPEAR SOVEREIGN WHILE ITS TREASURY, SUPPLY NETWORK, AND MILITARY READINESS REMAIN SUBJECT TO DECISIONS MADE ELSEWHERE. ECONOMIC OBEDIENCE CAN THEREFORE BE IMPOSED WITHOUT PRODUCING THE OPEN RESISTANCE THAT FOLLOWS MARTIAL INTERVENTION.

YET THIS AUTHORITY CARRIES A STRUCTURAL DANGER. THE EMPIRE IS FORMALLY BALANCED BETWEEN MARTIAL, CIVIL, AND DOCTRINAL POWER. THE GMRA BELONGS FULLY TO NONE OF THEM. IT REPORTS TO THE CIRCLE AND THE EMPERIS, WORKS THROUGH THE PILEA, INFLUENCES PRAETORA CAMPAIGNS, AND OPERATES UNDER LIMITED ETHRENARI OBSERVATION. IT CANNOT INTERPRET DOCTRINE, BUT IT CAN DETERMINE WHETHER DOCTRINAL INSTITUTIONS RECEIVE RESOURCES. IT CANNOT COMMAND ARMIES, BUT IT CAN DECIDE WHETHER THOSE ARMIES ARE PAID AND SUPPLIED. IT CANNOT LEGISLATE, YET ITS LENDING CONDITIONS MAY SHAPE LAW MORE EFFECTIVELY THAN DEBATE.

THIS HAS CREATED GROWING UNEASE WITHIN THE CIRCLE OF ACCORD. MANY OFFICIALS REGARD THE AUTHORITY AS INDISPENSABLE TO IMPERIAL CONTINUITY. OTHERS FEAR IT IS BECOMING AN UNOFFICIAL FOURTH PILLAR, CAPABLE OF INFLUENCING EVERY BRANCH WHILE REMAINING OUTSIDE THE FULL COUNTERWEIGHTS IMPOSED UPON THEM. THE CONCERN IS NOT THAT THE GMRA WILL OPENLY SEIZE CONTROL. THE CONCERN IS THAT CONTROL MAY ALREADY BE EXERCISED THROUGH ALLOCATION, DEPENDENCY, AND SILENCE.

THE AUREUM ORDER

THESE FEARS HAVE BEEN STRENGTHENED BY THE RISE OF THE AUREUM ORDER, AN UNOFFICIAL POLITICAL BLOC ALIGNED WITH THE RESERVE AUTHORITY. IT IS NOT FORMALLY RECOGNIZED WITHIN THE CIRCLE, YET ITS INFLUENCE IS EVIDENT AMONG RESERVE OFFICIALS, MERCHANT GUILDS, REGIONAL TREASURERS, AND HOUSE BANKS. THE ORDER EMERGED WHEN RESERVE MAGISTRATES BEGAN FORMING PRIVATE ALLIANCES WITH COMMERCIAL INTERESTS AND HOUSE PATRONS, CREATING NETWORKS OF MUTUAL DEBT AND FINANCIAL PROTECTION BEYOND ORDINARY INSTITUTIONAL OVERSIGHT.

ITS HIDDEN LEADERSHIP IS KNOWN AS THE INNER COINCIRCLE, A CLANDESTINE BODY COMPOSED OF RESERVE MAGISTRATES AND WEALTHY HOUSE PATRONS. BENEATH THEM OPERATE ORDER HOUSES, REGIONAL TREASURIES AND MERCHANT GUILDS SECRETLY TITLED TO THE BLOC; LEDGER CELLS, INFORMAL NETWORKS EMBEDDED WITHIN TRADE HUBS AND FACTIONAL BANKS; AND SILENT COLLECTORS, AGENTS TASKED WITH ENFORCING REPAYMENT AND LOYALTY THROUGH FINANCIAL PRESSURE AND CONCEALED RECORD.

GRADARI MIRIERS RESERVE AUTHORITY

IV

THE AUREUM SANCTUM

THE AUREUM SANCTUM IS THE CENTRAL MINT, RESERVE VAULT, AND CEREMONIAL SEAT OF THE GMRA.

ITS EXACT LOCATION IS CLASSIFIED UNDER AUREUM-OBSCURA AUTHORITY. THE SANCTUM IS CONSTRUCTED AROUND FORTIFIED VYRSTEEL VAULTS AND PROTECTED BY PERMANENT SECURITY FORMATIONS SWORN NEVER TO ABANDON THEIR POSTS. ITS GUARDS DO NOT ROTATE INTO ORDINARY SERVICE. THEIR LIVES, NAMES, AND INHERITANCE ARE BOUND TO THE PROTECTION OF THE RESERVE.

AT THE CENTER OF THE SANCTUM STANDS THE TRI-SCALE FORGE, AN IMMENSE MACHINE-INSCRIPTION STRUCTURE THROUGH WHICH EVERY AUTHORIZED AUREUM COIN, NOTE, OR LEDGER-SCRIPT IS WEIGHED AND REGISTERED.

MINTING IS TREATED AS A DOCTRINAL ACT. CURRENCY IS NOT CONSIDERED VALID MERELY BECAUSE IT HAS BEEN PHYSICALLY PRODUCED. IT MUST PASS THROUGH INSCRIPTION, NUMERATION, RECONCILIATION, AND FORMAL ENTRY INTO THE RESERVE RECORD.

THE SANCTUM IS THEREFORE PART TREASURY, FORTRESS, ARCHIVE, AND TEMPLE. BEHIND ITS SEALED WALLS, THE EMPIRE DECIDES WHAT ITS LABOR, ARMIES, AND SURVIVAL ARE PERMITTED TO BE WORTH.

THE GMRA COMMAND STRUCTURE

HIGH RESERVE MAGISTRATE

THE HIGH RESERVE MAGISTRATE IS THE SUPREME AUTHORITY OF THE GMRA. NO AUREUM MAY BE ADDED TO OR WITHDRAWN FROM THE CENTRAL RESERVES WITHOUT THE MAGISTRATE'S INSCRIPTION. THE OFFICE REPORTS DIRECTLY TO THE CIRCLE OF ACCORD AND THE EMPERIS AND CARRIES RESPONSIBILITY FOR THE STABILITY OF IMPERIAL CURRENCY ACROSS ALL SECTORS. THE MAGISTRATE'S POWER IS IMMENSE BUT NARROWLY DEFINED. THE OFFICE CONTROLS VALUE, NOT DOCTRINE. IT MAY INFLUENCE MILITARY AND POLITICAL ACTION THROUGH ALLOCATION, BUT IT CANNOT INDEPENDENTLY ISSUE DOCTRINAL JUDGMENT.

RESERVE MAGISTRATES

RESERVE MAGISTRATES OVERSEE REGIONAL AND FACTIONAL BANKING SYSTEMS. THEY MONITOR LENDING, EXPENDITURES, TAXATION FLOWS, AND BUDGET STABILITY WITHIN THEIR ASSIGNED JURISDICTIONS. THEY WORK ALONGSIDE LEDGER ASSESSORS AND MAY RECOMMEND RESTRICTIONS WHEN A HOUSE, BLOC, OR MILITARY COMMAND BEGINS ACCUMULATING UNSUSTAINABLE DEBT. THEIR AUTHORITY IS FINANCIAL RATHER THAN SOVEREIGN. THEY CANNOT GOVERN A FACTION DIRECTLY, BUT THEY CAN DETERMINE WHETHER IT CONTINUES RECEIVING IMPERIAL CREDIT.

BALANCE AUDITORS

BALANCE AUDITORS ARE THE INVESTIGATIVE ARM OF THE GMRA. THEY TRACE MISSING FUNDS, CONCEALED RESERVES, FALSE ACCOUNTS, DIVERTED MILITARY ALLOCATIONS, AND IRREGULAR TRANSFERS BETWEEN IMPERIAL INSTITUTIONS. THEY MAY BE DEPLOYED INTO POLITICAL CENTERS, FRONTIER SYSTEMS, OR ACTIVE WAR ZONES. A BALANCE AUDITOR MAY SUSPEND AUREUM TRANSFERS PENDING CIRCLE REVIEW. THIS AUTHORITY MAKES THEM FEARED ACROSS THE EMPIRE. THEIR ARRIVAL CAN PARALYZE A MINISTRY, STRAND A FLEET, OR EXPOSE A HOUSE WHOSE APPARENT PROSPERITY RESTS UPON MANUFACTURED LEDGERS.

LEDGER ASSESSORS

LEDGER ASSESSORS MAINTAIN THE DAILY FINANCIAL RECORDS OF THE EMPIRE. THEY TRACK THE MOVEMENT OF AUREUM BETWEEN FLEETS, DEPHORTI, CIVIL ADMINISTRATIONS, CONTRACTORS, BANKS, AND PROVINCIAL AUTHORITIES. THEIR REPORTS PROVIDE THE FOUNDATION UPON WHICH RESERVE MAGISTRATES AND CIRCLE AUDITORS MAKE DECISIONS. ACCURACY IS TREATED AS DOCTRINE WITHIN THEIR OFFICES. A DISCREPANCY IS NEVER CONSIDERED MINOR UNTIL ITS ORIGIN HAS BEEN IDENTIFIED.

SANCTUM DEVICTIS

THE SANCTUM DEVICTIS ARE THE CUSTODIANS OF THE AUREUM SANCTUM, ITS RESERVE VAULTS, AND THE TRI-SCALE FORGE. THEY COMMAND THE PERMANENT GUARD DETACHMENTS ASSIGNED TO THE MINTING COMPLEX AND SUPERVISE THE SECURITY OF INSCRIPTION RITES. THEIR OATH FORBIDS THEM FROM ABANDONING THE SANCTUM, EVEN DURING SIEGE, EVACUATION, OR REGIME CHANGE. THEY ARE NOT MERELY GUARDS OF WEALTH. THEY GUARD THE EMPIRE'S DECLARED MEASURE OF OBLIGATION.

IN BALANCE, HISTORY IS WRITTEN.
IN RECORD, WE ENDURE.

HOW TO PLAY GRADARI MIRERIS

INTRODUCTION

GRADARI MIRERIS IS A PERSISTENT STRATEGY, ROLEPLAYING, AND 4X GAME IN WHICH PLAYERS TAKE COMMAND OF FACTIONS, INSTITUTIONS, TERRITORIES, MILITARY FORCES, AND CHARACTERS WITHIN A SHARED EVOLVING UNIVERSE.

THERE IS NO SINGLE PATH THROUGH THE GAME AND NO UNIVERSAL CONDITION THAT DEFINES VICTORY. PLAYERS MAY SEEK TERRITORIAL EXPANSION, POLITICAL INFLUENCE, ECONOMIC POWER, MILITARY SUPREMACY, TECHNOLOGICAL ADVANCEMENT, DOCTRINAL AUTHORITY, CULTURAL SIGNIFICANCE, PERSONAL AMBITION, OR OBJECTIVES KNOWN ONLY TO THEMSELVES.

THE GALAXY EXISTS INDEPENDENTLY OF ANY ONE PLAYER. GOVERNMENTS ACT, ECONOMIES CHANGE, WARS CONTINUE, ALLIANCES FRACTURE, CHARACTERS RISE AND FALL, AND UNEXPLORED REGIONS REMAIN BEYOND THE BOUNDARIES OF ESTABLISHED POWER. EVERY PLAYER ENTERS THIS EXISTING RECORD AND ATTEMPTS TO SHAPE WHAT COMES NEXT.

ACTIONS TAKEN BY PLAYERS ARE RESOLVED ACCORDING TO THE CONDITIONS OF THE WORLD: AVAILABLE RESOURCES, ESTABLISHED TECHNOLOGY, GEOGRAPHY, MILITARY STRENGTH, POLITICAL AUTHORITY, INTELLIGENCE, PREPARATION, OPPOSITION, AND THE CONSEQUENCES OF PREVIOUS DECISIONS.

ONCE RESOLVED, THOSE ACTIONS BECOME PART OF THE CONTINUING HISTORY OF GRADARI MIRERIS.

THE GAME IS THEREFORE PLAYED NOT BY ASKING WHAT A PLAYER IS PERMITTED TO DO, BUT BY ASKING WHAT THEY ARE CAPABLE OF ATTEMPTING AND WHAT THEY ARE WILLING TO RISK IN DOING SO.

THE THREE SCALES OF PLAY

GRADARI MIRERIS MAY BE EXPERIENCED ACROSS THREE INTERCONNECTED SCALES.

STRATEGIC PLAY CONCERNS FACTIONS, GOVERNMENTS, ECONOMIES, TERRITORIES, FLEETS, ARMIES, COLONIES, DIPLOMACY, INFRASTRUCTURE, RESEARCH, AND THE MOVEMENT OF POWER ACROSS THE GALAXY. AT THIS SCALE, PLAYERS MAKE DECISIONS CAPABLE OF ALTERING ENTIRE SYSTEMS.

ROLEPLAYING PLAY CONCERNS THE INDIVIDUALS WHO INHABIT THOSE SYSTEMS. COMMANDERS, GOVERNORS, SOLDIERS, DIPLOMATS, INVESTIGATORS, MERCHANTS, ARCHIVORA, CRIMINALS, AND COUNTLESS OTHERS MAY NEGOTIATE, BETRAY, INVESTIGATE, FIGHT, EXPLORE, OR PURSUE AMBITIONS OF THEIR OWN.

NARRATIVE PLAY CONNECTS THE TWO. POLITICAL DECISIONS CREATE WARS. WARS CREATE REFUGEES, HEROES, SHORTAGES, SCANDALS, AND OPPORTUNITIES. A CONVERSATION BETWEEN TWO CHARACTERS MAY EVENTUALLY ALTER THE POLICY OF AN EMPIRE. A FAILED EXPEDITION MAY EXPOSE SOMETHING CAPABLE OF CHANGING THE BALANCE OF THE GALAXY.

NO SCALE EXISTS ENTIRELY SEPARATE FROM THE OTHERS.

A PLAYER MAY ORDER THE CONSTRUCTION OF A FLEET AT THE STRATEGIC LEVEL, NEGOTIATE ITS FUNDING THROUGH POLITICAL ROLEPLAY, APPOINT ANOTHER PLAYER'S CHARACTER TO COMMAND IT, AND EVENTUALLY USE THAT SAME FLEET IN A MILITARY CAMPAIGN.

"The commander moves the fleet, the soul moves the commander, and the Record gives weight to both. Thus are worlds changed: by power, by will, and by what endures after."

Book of Weighing. Canticle xiii

THE CORE GAMEPLAY CYCLE

MOST PLAY FOLLOWS A SIMPLE CONTINUING SEQUENCE:

OBSERVE PLAN ACT RESOLVE RECORD ADAPT

OBSERVE.

PLAYERS EXAMINE THE CURRENT CONDITION OF THE GALAXY, INCLUDING THEIR TERRITORY, RESOURCES, MILITARY FORCES, POLITICAL SITUATION, INTELLIGENCE, ONGOING EVENTS, AND THE ACTIONS OF OTHER POWERS.

PLAN.

PLAYERS DETERMINE WHAT THEY WANT TO ACCOMPLISH AND HOW THEIR AVAILABLE RESOURCES, CHARACTERS, INSTITUTIONS, AND RELATIONSHIPS CAN BE USED TO ACCOMPLISH IT.

ACT.

THE PLAYER SUBMITS AN ACTION OR PERFORMS IT THROUGH ROLEPLAY. AN ACTION MAY BE AS SMALL AS OPENING NEGOTIATIONS WITH ANOTHER OFFICIAL OR AS LARGE AS FOUNDING A COLONY, MOBILIZING AN ARMY, BEGINNING A RESEARCH PROJECT, OR DECLARING WAR.

RESOLVE.

THE GAME MASTER DETERMINES THE OUTCOME ACCORDING TO THE ESTABLISHED STATE OF THE UNIVERSE AND THE CIRCUMSTANCES SURROUNDING THE ATTEMPT. ACTIONS MAY SUCCEED COMPLETELY, SUCCEED WITH CONSEQUENCES, PRODUCE UNEXPECTED RESULTS, FAIL, OR CREATE SITUATIONS THAT REQUIRE FURTHER DECISIONS.

RECORD.

MEANINGFUL OUTCOMES ENTER THE GAME RECORD. TERRITORY MAY CHANGE HANDS. AUREUM MAY BE SPENT. CHARACTERS MAY GAIN AUTHORITY. FLEETS MAY BE DESTROYED. TREATIES MAY BECOME BINDING. DISCOVERIES MAY PERMANENTLY CHANGE WHAT FACTIONS KNOW ABOUT THE UNIVERSE.

ADAPT.

THE RESULTING WORLD BECOMES THE STARTING POINT FOR THE NEXT DECISION.

THIS CYCLE HAS NO PERMANENT RESET. THE CONSEQUENCES OF PLAY ACCUMULATE.

PLAYER AGENCY

PLAYERS ARE NOT LIMITED TO A MENU OF PREDETERMINED ACTIONS.

IF AN ACTION IS REASONABLY POSSIBLE WITHIN THE CANON OF GRADARI MIRERIS, A PLAYER MAY ATTEMPT IT.

A FACTION COULD ESTABLISH A COLONY, SECRETLY FINANCE ANOTHER POWER, CONDUCT ESPIONAGE, NEGOTIATE A TREATY, BLOCKADE A SYSTEM, ESTABLISH A NEW INSTITUTION, COMMISSION AN EXPERIMENTAL VESSEL, MANIPULATE A REGIONAL ECONOMY, INVESTIGATE A PARADOX EVENT, SPONSOR A POLITICAL MOVEMENT, FORTIFY A BORDER, OR ATTEMPT SOMETHING THE RULES HAVE NEVER SPECIFICALLY ANTICIPATED.

THE EXISTENCE OF AN ACTION DOES NOT GUARANTEE ITS SUCCESS.

GREATER AMBITIONS NORMALLY REQUIRE GREATER PREPARATION, RESOURCES, AUTHORITY, COOPERATION, OR RISK. ATTEMPTING TO ACCOMPLISH THROUGH A SINGLE ORDER WHAT WOULD REALISTICALLY REQUIRE AN EXTENDED CAMPAIGN MAY INSTEAD BEGIN A CHAIN OF EVENTS THAT MUST BE PLAYED THROUGH.

THE RULES DEFINE CONSEQUENCES MORE OFTEN THAN THEY DEFINE PERMISSION.

THERE IS NO PROTECTED STORY

GRADARI MIRERIS'S HISTORY DOES NOT UNFOLD ACCORDING TO A PREDETERMINED SCRIPT. THE PLAYERS DETERMINE THE OUTCOME WITH ACTION.

IMPORTANT CHARACTERS OR PLAYERS MAY DIE, POLITICAL INSTITUTIONS MAY COLLAPSE, AND WARS MAY BE LOST.

THE ESTABLISHED CANON DEFINES THE WORLD AT THE BEGINNING OF PLAY. FROM THAT POINT FORWARD, THE ACTIONS OF ITS INHABITANTS CREATE THE CONTINUING RECORD.

PLAYERS, CHARACTERS, AND FACTIONS

EVERY PLAYER ENTERS GRADARI MIRERIS THROUGH SOMETHING THEY CAN MEANINGFULLY INFLUENCE.

FOR SOME, THIS MAY BE A SOVEREIGN FACTION, IMPERIAL INSTITUTION, NOBLE HOUSE, MILITARY COMMAND, CORPORATION, RELIGIOUS ORDER, POLITICAL BLOC, CRIMINAL ORGANIZATION, OR FRONTIER SETTLEMENT. OTHERS MAY BEGIN WITH A SINGLE CHARACTER WHOSE INFLUENCE GROWS THROUGH PLAY.

A PLAYER DOES NOT NECESSARILY CONTROL EVERY INDIVIDUAL WHO BELONGS TO THEIR FACTION. INSTEAD, THE PLAYER DIRECTS ITS INTENT, RESOURCES, LEADERSHIP, AND MAJOR DECISIONS, WHILE THE GAME MASTER REPRESENTS THE WIDER POPULATION, SUBORDINATE PERSONNEL, UNCONTROLLED INSTITUTIONS, AND CONSEQUENCES THAT EXIST BEYOND DIRECT COMMAND.

THE LARGER A PLAYER'S AUTHORITY BECOMES, THE GREATER THE DISTANCE BETWEEN AN ORDER AND ITS OUTCOME.

A GOVERNOR MAY COMMAND THAT A CITY BE EVACUATED, BUT CANNOT PERSONALLY DETERMINE WHETHER EVERY CITIZEN OBEYS. A PRAETORA MAY ORDER A FLEET INTO BATTLE, BUT CAPTAINS, LOGISTICS, MORALE, INTELLIGENCE, AND ENEMY ACTION STILL DETERMINE WHAT HAPPENS. A FINANCIAL AUTHORITY MAY FREEZE AN ACCOUNT, BUT THE RESULTING SHORTAGES, POLITICAL ANGER, AND BLACK MARKETS EMERGE FROM THE WORLD RATHER THAN FROM THE PLAYER'S DIRECT CONTROL.

AUTHORITY GRANTS THE ABILITY TO ACT. IT DOES NOT GRANT CONTROL OVER CONSEQUENCE

FACTIONS

A FACTION IS ANY ORGANIZED POWER CAPABLE OF PURSUING OBJECTIVES WITHIN THE GAME WORLD.

FACTIONS MAY CONTROL TERRITORY, MAINTAIN POPULATIONS, COMMAND MILITARY FORMATIONS, POSSESS WEALTH, CONDUCT DIPLOMACY, DEVELOP TECHNOLOGY, ESTABLISH INSTITUTIONS, AND COMPETE FOR INFLUENCE.

THEY VARY ENORMOUSLY IN SCALE.

A FACTION MAY BE AN INTERSTELLAR GOVERNMENT CONTROLLING HUNDREDS OF WORLDS OR A MINOR ORGANIZATION OPERATING FROM A SINGLE STATION. SIZE ALONE DOES NOT DETERMINE RELEVANCE. A SMALL FACTION WITH ACCESS TO INFORMATION, STRATEGIC TERRITORY, SPECIALIZED TECHNOLOGY, POLITICAL INFLUENCE, OR DOCTRINAL AUTHORITY MAY AFFECT EVENTS FAR BEYOND ITS PHYSICAL HOLDINGS.

EACH FACTION POSSESSES ITS OWN COMBINATION OF:

TERRITORY

THE SYSTEMS, WORLDS, COLONIES, INSTALLATIONS, OR DISTRICTS OVER WHICH THE FACTION EXERCISES MEANINGFUL CONTROL.

POPULATION

THE PEOPLE, CONSTRUCTS, CITIZENS, WORKERS, DEPENDENTS, OR OTHER INHABITANTS WHO SUSTAIN THE FACTION.

ECONOMY

INCOME, RESERVES, TRADE, INDUSTRY, RESOURCES, DEBT, AND THE INFRASTRUCTURE REQUIRED TO SUPPORT CONTINUED OPERATION.

MILITARY POWER

FLEETS, ARMIES, DEFENSIVE FORCES, CIVIL PROTECTION, SPECIALIST FORMATIONS, AND THE LOGISTICS REQUIRED TO USE THEM.

TECHNOLOGY

THE SCIENTIFIC, INDUSTRIAL, MILITARY, AND AETHERIC CAPABILITIES AVAILABLE TO THE FACTION.

INFLUENCE

POLITICAL RELATIONSHIPS, REPUTATION, DIPLOMATIC LEVERAGE, INTELLIGENCE NETWORKS, IDEOLOGICAL REACH, AND INSTITUTIONAL AUTHORITY.

STABILITY

THE DEGREE TO WHICH THE FACTION'S POPULATION, INSTITUTIONS, ECONOMY, AND LEADERSHIP REMAIN CAPABLE OF FUNCTIONING UNDER PRESSURE.

THESE VALUES DO NOT EXIST ONLY AS STATISTICS. THEY REPRESENT CONDITIONS WITHIN THE UNIVERSE AND SHOULD PRODUCE CONSEQUENCES ACCORDINGLY. A WEALTHY FACTION WITH POOR STABILITY MAY POSSESS ENORMOUS RESOURCES WHILE STANDING NEAR POLITICAL COLLAPSE. A MILITARILY WEAK FACTION WITH STRONG DIPLOMATIC INFLUENCE MAY SURVIVE THROUGH ALLIANCES. A TECHNOLOGICALLY ADVANCED CIVILIZATION MAY DISCOVER THAT IT LACKS THE POPULATION OR ECONOMY REQUIRED TO DEPLOY ITS INVENTIONS AT MEANINGFUL SCALE.

CHARACTERS

CHARACTERS GIVE A HUMAN SCALE TO DECISIONS THAT MIGHT OTHERWISE EXIST ONLY AS NUMBERS ON A MAP. THEY MAY SERVE AS RULERS, COMMANDERS, DIPLOMATS, INVESTIGATORS, SCIENTISTS, MERCHANTS, SOLDIERS, CRIMINALS, ARCHIVORA, CIVIL OFFICIALS, OR ORDINARY INDIVIDUALS DRAWN INTO EXTRAORDINARY CIRCUMSTANCES.

A PLAYER'S ACTIVE CHARACTERS REPRESENT THE INDIVIDUALS THEY DIRECTLY PORTRAY WITHIN THE CAMPAIGN. OTHER MEMBERS OF THEIR FACTION MAY EXIST AS SUPPORTING FIGURES, SUBORDINATES, ALLIES, RIVALS, OR OFFICIALS REPRESENTED BY THE GAME MASTER WHEN APPROPRIATE. IMPORTANT CHARACTERS SHOULD STILL BE TREATED AS INDIVIDUALS WITH THEIR OWN HISTORIES, RELATIONSHIPS, LOYALTIES, AMBITIONS, FEARS, AND LIMITATIONS. A LOYAL OFFICER MAY DISAGREE WITH AN ORDER. A GOVERNOR MAY CONCEAL INFORMATION FROM THE CENTRAL GOVERNMENT. A SCIENTIST MAY BECOME ATTACHED TO THEIR RESEARCH. A POLITICAL ALLY MAY EVENTUALLY PURSUE INTERESTS THAT NO LONGER ALIGN WITH THE FACTION THEY ONCE SUPPORTED.

CHARACTERS ARE THEREFORE BOTH INSTRUMENTS OF POWER AND INHABITANTS OF THE WORLD. PLAYERS MAY USE THEM TO CONDUCT NEGOTIATIONS, COMMAND MILITARY OPERATIONS, INVESTIGATE EVENTS, REPRESENT INSTITUTIONS, FORM PERSONAL RELATIONSHIPS, EXPLORE LOCATIONS, OR TAKE ACTIONS TOO SPECIFIC TO RESOLVE AT THE FACTION LEVEL. THE CONSEQUENCES OF CHARACTER PLAY MAY EVENTUALLY AFFECT STRATEGIC PLAY: A CONVERSATION MAY CREATE AN ALLIANCE, AN ASSASSINATION MAY DESTABILIZE A GOVERNMENT, A FAILED INVESTIGATION MAY ALLOW A CONSPIRACY TO GROW, OR A SUCCESSFUL COMMANDER MAY GAIN ENOUGH INFLUENCE TO BECOME A POLITICAL FORCE IN THEIR OWN RIGHT.

GRADARI MIRERIS TREATS THESE OUTCOMES AS PART OF THE SAME CONTINUOUS HISTORY RATHER THAN AS SEPARATE GAME MODES.

MAIN AND SIDE CHARACTERS

EACH PLAYER SHOULD HAVE ONE MAIN CHARACTER WHO SERVES AS THEIR PRIMARY PRESENCE WITHIN THE CAMPAIGN. THIS CHARACTER IS USUALLY THE INDIVIDUAL MOST CLOSELY TIED TO THE PLAYER'S FACTION, GOALS, AND MAJOR DECISIONS. THEY ARE THE CHARACTER THE PLAYER RETURNS TO MOST OFTEN AND THE ONE MOST LIKELY TO SHAPE THE LONG-TERM DIRECTION OF THEIR STORY.

SIDE CHARACTERS ALLOW THE PLAYER TO TAKE PART IN EVENTS THEIR MAIN CHARACTER CANNOT REASONABLY ATTEND. A SIDE CHARACTER MIGHT BE A FLEET COMMANDER LEADING A DISTANT CAMPAIGN, AN INVESTIGATOR HANDLING A LOCAL CRISIS, OR A DIPLOMAT REPRESENTING THE FACTION IN NEGOTIATIONS. SIDE CHARACTERS SHOULD SUPPORT THE PLAYER'S WIDER FACTION RATHER THAN ACT AS SEPARATE SOURCES OF UNLIMITED INFLUENCE.

PLAYERS MAY SHIFT BETWEEN THEIR MAIN CHARACTER AND SIDE CHARACTERS AS THE SITUATION REQUIRES, BUT EACH CHARACTER REMAINS LIMITED BY THEIR OWN LOCATION, AUTHORITY, KNOWLEDGE, AND RESPONSIBILITIES. THE MAIN CHARACTER ANCHORS THE PLAYER'S STORY; SIDE CHARACTERS EXPAND WHERE THAT STORY CAN REACH.

MULTIPLE CHARACTERS

PLAYERS ARE NOT PERMANENTLY LIMITED TO A SINGLE CHARACTER, BUT EACH PLAYER MAINTAINS A LIMITED ACTIVE ROSTER TO KEEP THE CAMPAIGN MANAGEABLE. A PLAYER SHOULD NORMALLY MAINTAIN ONE MAIN CHARACTER AND UP TO TWO ACTIVE SIDE CHARACTERS AT A TIME. ADDITIONAL CHARACTERS MAY EXIST WITHIN THE FACTION, BUT THEY REMAIN BACKGROUND FIGURES UNLESS FORMALLY BROUGHT INTO ACTIVE PLAY OR APPROVED BY THE GAME MASTER.

THESE CHARACTERS MAY REPRESENT DIFFERENT PARTS OF THE SAME FACTION. A PLAYER CONTROLLING A MAJOR GOVERNMENT MIGHT PORTRAY ITS RULER DURING DIPLOMACY, A FLEET COMMANDER DURING A MILITARY CAMPAIGN, AND AN INVESTIGATOR DURING A POLITICAL CRISIS. EACH CHARACTER ACTS INDEPENDENTLY WITHIN THE POSITION, LOCATION, AND AUTHORITY THEY ACTUALLY POSSESS. A CHARACTER CANNOT BE USED SIMPLY TO APPEAR WHEREVER THE PLAYER NEEDS THEM OR TO BYPASS THE LIMITATIONS OF ANOTHER CHARACTER.

CHARACTERS WITHIN THE SAME FACTION ALSO DO NOT AUTOMATICALLY SHARE KNOWLEDGE. INFORMATION DISCOVERED BY ONE CHARACTER MUST REASONABLY REACH THE OTHERS BEFORE IT CAN BE ACTED UPON. CLASSIFIED INTELLIGENCE, DISTANT DISCOVERIES, PRIVATE CONVERSATIONS, AND HIDDEN EVENTS REMAIN LIMITED TO THOSE WHO ACTUALLY KNOW ABOUT THEM. PLAYERS MAY KNOW MORE THAN THEIR CHARACTERS DO, BUT CHARACTERS MAY ACT ONLY UPON WHAT THEY CAN REASONABLY KNOW.

THE GAME MASTER MAY LIMIT THE CREATION OR ACTIVATION OF ADDITIONAL CHARACTERS WHEN NECESSARY TO PREVENT OVERCROWDING, DUPLICATED AUTHORITY, OR UNNECESSARY CONFUSION. MULTIPLE CHARACTERS ARE INTENDED TO LET PLAYERS EXPERIENCE DIFFERENT PARTS OF THEIR FACTION, NOT TO GIVE ONE PLAYER UNLIMITED PRESENCE ACROSS THE GALAXY.

ACTIONS AND ORDERS

THE PRIMARY MEANS THROUGH WHICH PLAYERS ALTER THE WORLD IS THE ACTION. AN ACTION IS A DECLARED ATTEMPT TO ACCOMPLISH SOMETHING WITHIN THE GAME UNIVERSE, RANGING FROM IMMEDIATE AND PERSONAL EFFORTS SUCH AS QUESTIONING A PRISONER, MEETING SECRETLY WITH ANOTHER OFFICIAL, SEARCHING AN ABANDONED INSTALLATION, OR ATTEMPTING TO ESCAPE AN AMBUSH, TO STRATEGIC ACTIONS SUCH AS CONSTRUCTING AN ORBITAL SHIPYARD, ESTABLISHING A COLONY, BEGINNING DEVELOPMENT OF A NEW WEAPONS SYSTEM, DEPLOYING A FLEET TO A CONTESTED SYSTEM, IMPOSING SANCTIONS UPON ANOTHER FACTION, LAUNCHING AN INTELLIGENCE OPERATION, OR PREPARING AN INVASION. THE SAME PRINCIPLES GOVERN BOTH SCALES OF PLAY. IN EVERY CASE, A PLAYER STATES WHAT THEY ARE ATTEMPTING, WHAT THEY ARE USING, AND HOW THEY INTEND TO ACCOMPLISH IT.

WRITING AN ACTION

A STRONG ACTION NORMALLY CONTAINS FOUR ELEMENTS:

OBJECTIVE

WHAT ARE YOU TRYING TO ACCOMPLISH?

METHOD

HOW ARE YOU ATTEMPTING TO ACCOMPLISH IT?

RESOURCES

WHAT PERSONNEL, MONEY, EQUIPMENT, TERRITORY, POLITICAL AUTHORITY, INTELLIGENCE, OR OTHER ASSETS ARE BEING COMMITTED?

INTENT

WHAT RESULT DOES THE PLAYER ACTUALLY WANT FROM THE ACTION?

FOR EXAMPLE:

OBJECTIVE: ESTABLISH AN IMPERIAL LISTENING POST ALONG THE VARN'CATH FRONTIER.

METHOD: CONVERT AN ABANDONED COMMERCIAL STATION RATHER THAN CONSTRUCTING A NEW FACILITY.

RESOURCES: ONE ENGINEERING DETACHMENT, A GMDA SECURITY CONTINGENT, COMMUNICATIONS EQUIPMENT, AND 40,000 AUREUM.

INTENT: MONITOR MILITARY TRAFFIC THROUGH THE REGION WITHOUT CREATING AN OBVIOUS PERMANENT MILITARY PRESENCE.

THIS PROVIDES THE GAME MASTER SUBSTANTIALLY MORE INFORMATION THAN SIMPLY WRITING:

"BUILD A LISTENING POST."

THE FIRST ACTION EXPLAINS NOT ONLY WHAT IS BEING ATTEMPTED, BUT HOW THE PLAYER EXPECTS THE WORLD TO BE CHANGED.

PREPARATION MATTERS

ACTIONS DO NOT EXIST IN ISOLATION. PREVIOUS DECISIONS MAY IMPROVE OR WEAKEN A LATER ATTEMPT.

A PLAYER WHO SPENDS TIME GATHERING INTELLIGENCE BEFORE AN INVASION MAY DISCOVER DEFENSES THAT WOULD OTHERWISE HAVE REMAINED HIDDEN. A FACTION THAT ESTABLISHES SUPPLY DEPOTS BEFORE BEGINNING A CAMPAIGN MAY OPERATE FARTHER FROM ITS TERRITORY. A DIPLOMAT WHO SPENDS MONTHS BUILDING RELATIONSHIPS MAY FIND NEGOTIATIONS EASIER THAN ONE WHO ARRIVES ONLY WHEN ASSISTANCE IS NEEDED.

LIKewise, NEGLECTED PROBLEMS ACCUMULATE. UNPAID SOLDIERS MAY BECOME UNRELIABLE. DAMAGED INFRASTRUCTURE MAY EVENTUALLY FAIL. OR POLITICAL RESENTMENT MAY GROW INTO ORGANIZED OPPOSITION. DEBT MAY CREATE DEPENDENCE UPON INSTITUTIONS SUCH AS THE RESERVE AUTHORITY, WHICH ALREADY HOLDS THE POWER TO SHAPE MILITARY AND POLITICAL ACTIVITY THROUGH ACCESS TO AUREUM AND CREDIT.

PLAYERS ARE THEREFORE ENCOURAGED TO THINK BEYOND THE IMMEDIATE ACTION.

THE MOST IMPORTANT QUESTION IS OFTEN NOT "CAN I DO THIS?" BUT "WHAT HAVE I DONE THAT MAKES THIS POSSIBLE?"

SCALE OF AN ACTION

THE SIZE OF AN ACTION SHOULD REFLECT THE AMOUNT OF CHANGE BEING ATTEMPTED. A SINGLE ACTION MAY REASONABLY ORDER A FLEET TO RELOCATE, BEGIN CONSTRUCTION OF A FACILITY, OPEN NEGOTIATIONS, COMMISSION RESEARCH, CONDUCT RECONNAISSANCE, OR AUTHORIZE A POLITICAL INITIATIVE. IT NORMALLY CANNOT INSTANTLY COMPLETE A PROCESS THAT WOULD REQUIRE EXTENSIVE TIME, INFRASTRUCTURE, RESISTANCE, OR MULTIPLE INDEPENDENT STEPS.

DECLARING:

"CONQUER SECTOR 04."

DOES NOT IMMEDIATELY RESOLVE AN ENTIRE WAR. IT ESTABLISHES AN OBJECTIVE THE PLAYERS WOULD LIKE TO PURSUE.

THE CAMPAIGN THAT FOLLOWS MAY REQUIRE MOBILIZATION, LOGISTICS, INTELLIGENCE, FLEET OPERATIONS, GROUND WARFARE, DIPLOMACY, OCCUPATION, AND POLITICAL STABILIZATION BEFORE THE OBJECTIVE CAN ACTUALLY BE ACHIEVED. LARGE AMBITIONS NATURALLY CREATE CHAINS OF ACTIONS.

THIS IS INTENTIONAL.

THE GAME IS NOT DESIGNED TO PREVENT PLAYERS FROM ATTEMPTING ENORMOUS THINGS. IT IS DESIGNED TO ALLOW ENORMOUS THINGS TO BECOME STORIES.

OPPOSITION

WHEN AN ACTION DIRECTLY INTERFERES WITH ANOTHER FACTION, CHARACTER, OR INSTITUTION, THE OPPOSING SIDE MAY ACT IN RESPONSE.

PLAYERS MAY CONCEAL PREPARATIONS, COUNTER INTELLIGENCE OPERATIONS, INTERCEPT FLEETS, NEGOTIATE AGAINST ANOTHER FACTION, REINFORCE THREATENED TERRITORY, UNDERMINE POLITICAL INITIATIVES, OR ATTEMPT TO EXPLOIT WEAKNESSES CREATED BY AN OPPONENT'S ACTIONS.

THE GAME MASTER DOES NOT DETERMINE THESE CONFLICTS SOLELY BY COMPARING NUMBERS. RESOURCES, PREPARATION, TECHNOLOGY, TERRAIN, INFORMATION, LEADERSHIP, AND TIMING ALL INFLUENCE THE OUTCOME OF AN ACTION, WITH EACH FACTOR SHAPING THE ADVANTAGES, LIMITATIONS, AND RISKS PRESENT AT THE MOMENT OF RESOLUTION.

AND SOMETIMES CIRCUMSTANCES CREATED SEVERAL SESSIONS EARLIER MATTER MORE THAN THE DECISION BEING MADE NOW. CONFLICT IS RESOLVED FROM THE STATE OF THE WORLD, NOT FROM THE IMPORTANCE OF THE PLAYER MAKING THE REQUEST.

ACTION RESOLUTION

ONCE AN ACTION IS SUBMITTED, THE GAME MASTER DETERMINES THE OUTCOME BASED ON THE CIRCUMSTANCES SURROUNDING THE ATTEMPT. RESOURCES, PREPARATION, TECHNOLOGY, TERRAIN, INFORMATION, LEADERSHIP, TIMING, OPPOSITION, AND PREVIOUS DECISIONS MAY ALL INFLUENCE THE RESULT.

ACTIONS GENERALLY RESOLVE AS A SUCCESS, PARTIAL SUCCESS, OR FAILURE. A SUCCESSFUL ACTION ACHIEVES ITS INTENDED OBJECTIVE. A PARTIAL SUCCESS ACHIEVES THE OBJECTIVE ONLY IN PART OR INTRODUCES AN ADDITIONAL COMPLICATION. A FAILED ACTION DOES NOT ACCOMPLISH ITS INTENDED OBJECTIVE, THOUGH IT MAY STILL CHANGE THE SITUATION OR CREATE NEW OPPORTUNITIES.

THE GAME MASTER MAY WITHHOLD INFORMATION THAT THE PLAYER OR THEIR FACTION WOULD NOT REASONABLY KNOW. LIKEWISE, WHEN ANOTHER FACTION DIRECTLY OPPOSES AN ACTION, THE CAPABILITIES AND DECISIONS OF BOTH SIDES ARE CONSIDERED WHEN DETERMINING THE OUTCOME.

THE PURPOSE OF ACTION RESOLUTION IS NOT TO PUNISH OR REWARD A PLAYER, BUT TO DETERMINE HOW THE UNIVERSE REASONABLY RESPONDS TO WHAT THEY ATTEMPTED.

THE PLAYER DETERMINES THE ACTION. THE GAME MASTER DETERMINES THE RESPONSE.

"Intent enters the Record as possibility. Consequence gives it weight. Between the two stands judgment. Judgment is the guardian of the record's possibility."

Book of Weighing. Canticle xiv

ECONOMY & AUREUM

THE ECONOMY OF GRADARI MIRERIS IS BUILT AROUND THE IMPERIAL AUREUM, THE SOLE RECOGNIZED CURRENCY OF THE EMPIRE. EVERY HOUSE, FACTION, MILITARY COMMAND, AND CIVIL ADMINISTRATION MAINTAINS ITS OWN ACCOUNTS, WHILE RECOGNIZED BALANCES ARE ULTIMATELY RECONCILED THROUGH THE GRADARI MIRERIS RESERVE AUTHORITY.

MONEY REPRESENTS MORE THAN PURCHASING POWER. WITHIN IMPERIAL DOCTRINE, AUREUM IS TREATED AS STORED OBLIGATION: A RECORD OF LABOR, DEBT, ACCESS, AND DEPENDENCE. FOR GAMEPLAY, THIS MEANS A FACTION'S TREASURY REPRESENTS ITS ABILITY TO MAINTAIN ITSELF AND TURN POLITICAL OR STRATEGIC INTENT INTO ACTION.

INCOME AND SPENDING

FACTIONS RECEIVE AUREUM THROUGH THE ECONOMIC ACTIVITY AVAILABLE TO THEM. INCOME MAY COME FROM ESTABLISHED TAXATION, TRADE, CONTRACTS, CONTROLLED ASSETS, OR FINANCIAL ASSISTANCE DEPENDING ON THE FACTION AND ITS CIRCUMSTANCES. THE PLAYER'S AVAILABLE AUREUM IS RECORDED WITHIN THEIR FACTION TREASURY AND MAY BE COMMITTED THROUGH ACTIONS.

AUREUM MAY BE SPENT WHEREVER THE FACTION MUST COMMIT FINANCIAL RESOURCES. FLEETS REQUIRE FUNDING FOR REPAIR AND RECRUITMENT, GROUND FORCES REQUIRE SUPPLY AND TRANSPORT, AND CIVIL GOVERNMENTS REQUIRE MONEY TO MAINTAIN INFRASTRUCTURE AND PUBLIC SERVICES. CONSTRUCTION, EXPANSION, RESEARCH, MILITARY OPERATIONS, AND OTHER MAJOR PROJECTS MAY LIKEWISE REQUIRE AUREUM BEFORE THEY CAN PROCEED.

SPENDING REMOVES THE COMMITTED AMOUNT FROM THE FACTION'S AVAILABLE TREASURY UNLESS ANOTHER ARRANGEMENT, SUCH AS CREDIT OR OUTSIDE FINANCING, HAS BEEN ESTABLISHED.

TRADE

FACTIONS MAY TRADE WITH ONE ANOTHER THROUGH AGREEMENTS MADE DURING PLAY. TRADE MAY INVOLVE AUREUM, RESOURCES, ACCESS, TECHNOLOGY, SERVICES, TERRITORY, OR OTHER ASSETS RECOGNIZED BY BOTH PARTIES.

THE EXACT TERMS OF A TRADE ARE DETERMINED BY THE PLAYERS INVOLVED. ONCE ACCEPTED AND RESOLVED, THOSE TERMS BECOME PART OF THE RECORD AND REMAIN IN EFFECT UNTIL FULFILLED, ALTERED, OR BROKEN.

TRADE CAN THEREFORE PROVIDE MORE THAN IMMEDIATE INCOME. IT CAN CREATE LONG TERM ECONOMIC RELATIONSHIPS AND DEPENDENCIES BETWEEN FACTIONS.

DEBT AND FINANCIAL ASSISTANCE

A FACTION THAT LACKS SUFFICIENT AUREUM IS NOT NECESSARILY PREVENTED FROM ACTING. IT MAY SEEK LOANS, OUTSIDE INVESTMENT, POLITICAL ASSISTANCE, OR CENTRAL FINANCIAL ASSISTANCE FROM THE GMRA.

GMRA ASSISTANCE IS NEVER WITHOUT OBLIGATION. CANONICALLY, FINANCIAL ALLOCATIONS MAY REQUIRE REPAYMENT, POLITICAL CONCESSIONS, RESOURCE TRANSFERS, MILITARY SERVICE, OR DOCTRINAL OBLIGATIONS.

DEBT THEREFORE ALLOWS A FACTION TO GAIN RESOURCES NOW BY ACCEPTING CONSEQUENCES LATER.

A HEAVILY INDEBTED FACTION MAY BECOME DEPENDENT UPON ITS CREDITORS. THE GMRA MAY RESTRICT LENDING, FREEZE ACCOUNTS, SUSPEND TRANSFERS, IMPOSE AUSTERITY, OR HALT MILITARY EXPENDITURES WHEN AUTHORIZED TO DO SO, GIVING ECONOMIC DECISIONS SIGNIFICANT STRATEGIC CONSEQUENCES.

CONSTRUCTION AND INVESTMENT

BUILDINGS, SHIPS, INFRASTRUCTURE, COLONIES, AND OTHER DEVELOPMENTS MAY REQUIRE AN INITIAL AUREUM INVESTMENT BEFORE CONSTRUCTION BEGINS. THE COST REPRESENTS THE LABOR, MATERIALS, LOGISTICS, EQUIPMENT, AND ADMINISTRATIVE EFFORT NECESSARY TO COMPLETE THE PROJECT.

PAYING FOR A PROJECT BEGINS THE PROCESS. IT DOES NOT NECESSARILY CAUSE THE PROJECT TO APPEAR IMMEDIATELY. CONSTRUCTION STILL REQUIRES THE APPROPRIATE TIME, LOCATION, TECHNOLOGY, AND INFRASTRUCTURE TO COMPLETE.

THE SPECIFIC RULES GOVERNING COLONIES, BUILDINGS, POPULATION, AND TERRITORIAL DEVELOPMENT ARE COVERED UNDER EXPANSION & DEVELOPMENT.

ECONOMIC CONSEQUENCE

A FACTION CANNOT SPEND AUREUM IT DOES NOT POSSESS WITHOUT ESTABLISHING SOME FORM OF FINANCING. LIKEWISE, COMMITTING MOST OF A TREASURY TO A SINGLE OBJECTIVE MAY LEAVE FEWER RESOURCES AVAILABLE ELSEWHERE.

A POWERFUL MILITARY CAN BE WEAKENED BY AN EMPTY TREASURY. A SMALL FACTION MAY EXPAND RAPIDLY THROUGH CREDIT WHILE BECOMING INCREASINGLY DEPENDENT UPON ITS LENDER. A WEALTHY GOVERNMENT MAY INFLUENCE EVENTS WITHOUT DEPLOYING A SINGLE SOLDIER.

THE ECONOMY IS THEREFORE NOT SEPARATE FROM STRATEGY. AUREUM DETERMINES WHAT A FACTION CAN SUPPORT, WHILE DEBT DETERMINES WHAT THAT SUPPORT MAY EVENTUALLY COST.

EXPANSION & DEVELOPMENT

FACTIONS MAY EXPAND BY ESTABLISHING COLONIES, CONSTRUCTING BUILDINGS, IMPROVING INFRASTRUCTURE, AND DEVELOPING THE POPULATIONS ALREADY UNDER THEIR CONTROL. EXPANSION REQUIRES THE APPROPRIATE TERRITORY, RESOURCES, TIME, AND TECHNOLOGY, AND LARGER SETTLEMENTS BECOME INCREASINGLY DEPENDENT UPON TRANSPORTATION, ENERGY, INDUSTRY, SECURITY, AND OTHER SUPPORTING INFRASTRUCTURE. THE HISTORY OF THE EMPIRE ITSELF WAS SHAPED BY THE SPREAD OF COLONIES ACROSS NEW SECTORS, MAKING EXPANSION A NATURAL PART OF PLAY.

DEVELOPMENT IS NOT LIMITED TO CLAIMING NEW TERRITORY. PLAYERS MAY STRENGTHEN EXISTING WORLDS, SPECIALIZE SETTLEMENTS, ESTABLISH INDUSTRIAL CENTERS, FORTIFY STRATEGIC LOCATIONS, OR INVEST IN INFRASTRUCTURE THAT SUPPORTS LATER ACTIONS. ONCE CONSTRUCTED, THESE DEVELOPMENTS BECOME PERSISTENT ASSETS WITHIN THE RECORD.

DIPLOMACY & POLITICS

PLAYERS MAY NEGOTIATE TREATIES, ALLIANCES, TRADE AGREEMENTS, TERRITORIAL SETTLEMENTS, POLITICAL BLOCS, AND OTHER ARRANGEMENTS WITH FACTIONS THROUGHOUT THE GALAXY. AGREEMENTS ARE DEFINED BY THE PLAYERS INVOLVED AND REMAIN PART OF THE RECORD UNTIL THEY ARE FULFILLED, ALTERED, ABANDONED, OR BROKEN.

POLITICAL POWER MAY ALSO BE EXERCISED INDIRECTLY THROUGH INFLUENCE, DEBT, INTERNAL FACTIONS, ESPIONAGE, AND COVERT ACTION. INSTITUTIONS AND POLITICAL BLOCS MAY PURSUE THEIR OWN INTERESTS EVEN WHILE OPERATING INSIDE LARGER GOVERNMENTS; THE AUREUM ORDER, FOR EXAMPLE, EXISTS AS AN UNOFFICIAL BLOC WHOSE INFLUENCE EXTENDS THROUGH FINANCIAL AND COMMERCIAL NETWORKS. DIPLOMACY THEREFORE INCLUDES BOTH WHAT GOVERNMENTS DECLARE PUBLICLY AND WHAT THEIR AGENTS PURSUE PRIVATELY.

WARFARE

WARFARE OCCURS THROUGH FLEETS, GROUND FORCES, DEFENSIVE POSITIONS, LOGISTICS, AND THE COMMANDERS RESPONSIBLE FOR USING THEM. MILITARY ACTIONS MAY RANGE FROM RAIDS AND BLOCKADES TO PLANETARY ASSAULTS AND EXTENDED CAMPAIGNS. FLEET, GROUND, CIVIL, AND DOCTRINAL INSTITUTIONS ARE INTENDED TO FUNCTION AS INTERCONNECTED FORCES RATHER THAN ISOLATED SYSTEMS.

CAPTURING TERRITORY DOES NOT AUTOMATICALLY SECURE IT. OCCUPIED WORLDS AND SYSTEMS MAY REQUIRE CONTINUED MILITARY PRESENCE, SUPPLY, CIVIL ADMINISTRATION, OR POLITICAL STABILIZATION BEFORE CONTROL BECOMES SECURE. WARFARE THEREFORE CONCERNS NOT ONLY DEFEATING AN ENEMY, BUT MAINTAINING WHATEVER IS GAINED AFTERWARD.

TECHNOLOGY & RESEARCH

FACTIONS MAY INVEST RESOURCES AND TIME INTO RESEARCH PROJECTS INTENDED TO CREATE NEW TECHNOLOGIES, IMPROVE EXISTING SYSTEMS, OR INVESTIGATE DISCOVERIES ENCOUNTERED DURING PLAY. SUCCESSFUL RESEARCH EXPANDS WHAT A FACTION IS CAPABLE OF CONSTRUCTING OR ATTEMPTING, BUT NEW TECHNOLOGY MUST REMAIN CONSISTENT WITH THE ESTABLISHED LAWS, DOCTRINE, AND TECHNOLOGICAL LIMITS OF THE UNIVERSE.

ADVANCED IMPERIAL TECHNOLOGY FREQUENTLY RELIES UPON AETHERIUM, INCLUDING LONG-VOID TRAVEL, COMMUNICATIONS, MEDICAL SYSTEMS, AND MILITARY APPLICATIONS. SUCH TECHNOLOGY CAN ALSO CARRY SIGNIFICANT RISKS, AND SOME FORMS OF AETHERIC RESEARCH ARE HEAVILY REGULATED OR RESTRICTED ENTIRELY. RESEARCH THEREFORE CREATES OPPORTUNITY WITHOUT GUARANTEEING THAT EVERY DISCOVERY IS SAFE, LEGAL, OR CONTROLLABLE.

CHARACTERS & ROLEPLAY

CHARACTERS REPRESENT THE INDIVIDUALS THROUGH WHOM MUCH OF THE PERSONAL SIDE OF GRADARI MIRERIS IS EXPERIENCED. A CHARACTER MAY BE A RULER, COMMANDER, DIPLOMAT, INVESTIGATOR, SCIENTIST, MERCHANT, SOLDIER, ARCHIVORA, OR NEARLY ANY OTHER PERSON WITH A PLACE IN THE SETTING.

CHARACTERS MAY CONDUCT PERSONAL ACTIONS, PARTICIPATE IN NEGOTIATIONS, LEAD MILITARY FORCES, INVESTIGATE EVENTS, FORM RELATIONSHIPS, AND PURSUE GOALS OF THEIR OWN. THEIR DECISIONS CAN INFLUENCE THE STRATEGIC GAME JUST AS STRATEGIC DECISIONS CAN CREATE NEW CIRCUMSTANCES FOR CHARACTERS.

PLAYERS MAY CONTROL MORE THAN ONE CHARACTER WHERE APPROPRIATE, PARTICULARLY WHEN REPRESENTING A LARGE FACTION. CHARACTERS SHOULD STILL BE TREATED AS INDIVIDUALS WITH THEIR OWN POSITIONS, KNOWLEDGE, RESPONSIBILITIES, AND LIMITATIONS RATHER THAN AS INTERCHANGEABLE EXTENSIONS OF THE PLAYER.

TIME & THE RECORD

GRADARI MIRERIS TAKES PLACE WITHIN A PERSISTENT TIMELINE GOVERNED BY THE AEVUM CALENDAR. TIME CONTINUES TO ADVANCE AS CAMPAIGNS, CONSTRUCTION PROJECTS, POLITICAL EVENTS, RESEARCH, AND CONFLICTS UNFOLD. ONE REAL-WORLD HOUR CORRESPONDS TO FIVE IN-UNIVERSE HOURS WITHIN THE IMPERIAL RECORD.

IMPORTANT EVENTS BECOME PART OF THE CAMPAIGN RECORD. WARS, TREATIES, DISCOVERIES, CHANGES OF LEADERSHIP, COLONIES, POLITICAL CRISES, AND OTHER SIGNIFICANT DEVELOPMENTS SHOULD BE PRESERVED SO THAT FUTURE ACTIONS CAN BE RESOLVED AGAINST A CONSISTENT HISTORY.

THE CAMPAIGN DOES NOT RETURN TO A DEFAULT STATE BETWEEN SESSIONS.

WHAT HAPPENED REMAINS TRUE UNTIL SOMETHING WITHIN THE GAME CHANGES IT.

THE GAME MASTERS (ADMINS)

THE GAME MASTERS MAINTAIN THE WORLD BEYOND DIRECT PLAYER CONTROL. THEY RESOLVE ACTIONS, REPRESENT UNCONTROLLED FACTIONS AND CHARACTERS, INTRODUCE EVENTS, MAINTAIN HIDDEN INFORMATION, AND PRESERVE CONSISTENCY WITH ESTABLISHED CANON.

THE GAME MASTER DOES NOT DETERMINE WHAT STORY THE PLAYERS MUST FOLLOW. THEIR PURPOSE IS TO ESTABLISH CIRCUMSTANCES AND DETERMINE HOW THE UNIVERSE RESPONDS TO PLAYER DECISIONS.

THEY MAY INTRODUCE WARS, POLITICAL CRISES, DISCOVERIES, ECONOMIC DISRUPTIONS, DOCTRINAL EVENTS, UNEXPLORED SYSTEMS, OR OTHER DEVELOPMENTS THAT CREATE NEW SITUATIONS FOR PLAYERS TO RESPOND TO.

THE GAME MASTER PRESENTS THE WORLD. THE PLAYERS DETERMINE WHAT THEY DO WITH IT.

PLEASE RESPECT YOUR ADMINS AND GAME MASTERS
THEY ARE HOW YOU ARE ABLE TO PLAY GRADARI MIRERIS.

THANK YOU

CAMPAIGN SETUP

A NEW CAMPAIGN CAN BE ESTABLISHED THROUGH THE FOLLOWING PROCESS:

CHOOSE THE CAMPAIGN SCOPE. THE GAME MASTER FIRST DETERMINES WHAT PORTION OF THE UNIVERSE THE CAMPAIGN WILL FOCUS UPON. A CAMPAIGN MAY CONCERN SEVERAL MAJOR INTERSTELLAR POWERS, A COLLECTION OF IMPERIAL HOUSES, COMPETING FRONTIER FACTIONS, A SINGLE PLANETARY SYSTEM, OR EVEN MEMBERS OF ONE ORGANIZATION. THE SCOPE DETERMINES HOW MUCH AUTHORITY PLAYERS BEGIN WITH AND HOW LARGE THEIR ACTIONS ARE EXPECTED TO BE.

CHOOSE OR CREATE FACTIONS. EACH PLAYER SELECTS AN ESTABLISHED FACTION OR CREATES ONE WITH THE GAME MASTER'S APPROVAL. THE FACTION SHOULD HAVE A CLEAR IDENTITY, TERRITORY OR PLACE WITHIN THE GALAXY, LEADERSHIP, AVAILABLE RESOURCES, POLITICAL RELATIONSHIPS, AND REASON FOR PARTICIPATING IN THE CAMPAIGN. NEW FACTIONS SHOULD FIT WITHIN THE ESTABLISHED CANON RATHER THAN REPLACING IT.

ESTABLISH STARTING ASSETS. THE GAME MASTER DETERMINES EACH FACTION'S STARTING TREASURY, TERRITORY, POPULATION, MILITARY FORCES, INFRASTRUCTURE, TECHNOLOGY, AND OTHER IMPORTANT ASSETS. DIFFERENT FACTIONS DO NOT NEED TO BEGIN EQUALLY. THEIR ADVANTAGES AND WEAKNESSES SHOULD REFLECT WHO THEY ARE WITHIN THE SETTING.

CREATE IMPORTANT CHARACTERS. EACH PLAYER CREATES THE PRIMARY CHARACTERS THROUGH WHOM THEY WILL INTERACT WITH THE WORLD. AT MINIMUM, A FACTION SHOULD HAVE A RECOGNIZABLE LEADER OR REPRESENTATIVE. ADDITIONAL COMMANDERS, DIPLOMATS, SCIENTISTS, OFFICIALS, OR OTHER CHARACTERS MAY BE CREATED AS THEY BECOME RELEVANT.

DEFINE RELATIONSHIPS. BEFORE PLAY BEGINS, THE GAME MASTER ESTABLISHES THE MAJOR RELATIONSHIPS BETWEEN PARTICIPATING FACTIONS. SOME MAY ALREADY BE ALLIES, RIVALS, TRADE PARTNERS, POLITICAL DEPENDENTS, DEBTORS, TERRITORIAL COMPETITORS, OR OPEN ENEMIES. PLAYERS SHOULD ENTER THE CAMPAIGN WITH EXISTING HISTORY RATHER THAN MEETING EVERY FACTION FOR THE FIRST TIME.

GIVE EACH FACTION AN IMMEDIATE OBJECTIVE. EVERY PLAYER SHOULD BEGIN WITH SOMETHING THEY WANT TO ACCOMPLISH. THIS MAY BE SECURING A BORDER, EXPANDING INTO AN UNEXPLORED SYSTEM, RESOLVING A FINANCIAL CRISIS, GAINING POLITICAL INFLUENCE, DEVELOPING A TECHNOLOGY, PREPARING FOR WAR, INVESTIGATING AN ANOMALY, OR PURSUING ANOTHER FACTION-SPECIFIC AMBITION. THESE OBJECTIVES PROVIDE DIRECTION WITHOUT DETERMINING HOW THE PLAYER MUST PURSUE THEM.

ESTABLISH THE OPENING SITUATION. THE GAME MASTER BEGINS THE CAMPAIGN WITH AN EVENT, PROBLEM, OPPORTUNITY, OR CHANGE IN THE GALAXY THAT AFFECTS THE PARTICIPATING PLAYERS. A DISPUTED COLONY MAY DECLARE INDEPENDENCE. AN UNEXPLORED SYSTEM MAY BE DISCOVERED. A TREATY MAY COLLAPSE. A MAJOR OFFICIAL MAY DIE. A FLEET MAY DISAPPEAR. THE GMRA MAY FREEZE A FACTION'S ACCOUNTS. THE EVENT DOES NOT NEED TO THREATEN THE ENTIRE GALAXY. IT ONLY NEEDS TO GIVE PLAYERS A REASON TO BEGIN MAKING DECISIONS.

BEGIN WITH THE FIRST ACTIONS. ONCE THE OPENING SITUATION IS PRESENTED, PLAYERS DECIDE HOW THEIR FACTIONS RESPOND. FROM THAT POINT ONWARD, THE NORMAL GAMEPLAY CYCLE BEGINS: OBSERVE, PLAN, ACT, RESOLVE, RECORD, THEN ADAPT.

STARTING FACTIONS

WHEN BEGINNING A CAMPAIGN, YOUR FACTION ONLY NEEDS ENOUGH INFORMATION FOR YOU TO UNDERSTAND WHAT YOU CONTROL, WHAT YOU HAVE AVAILABLE, AND WHAT YOU ARE REASONABLY CAPABLE OF DOING.

YOU SHOULD KNOW THE TERRITORY YOU HOLD, THE RESOURCES AVAILABLE TO YOU, THE MILITARY OR OTHER FORCES THAT ANSWER TO YOU, THE IMPORTANT CHARACTERS WITHIN YOUR FACTION, AND THE MAJOR RELATIONSHIPS YOU ALREADY HAVE WITH OTHER POWERS. ADDITIONAL DETAILS CAN BE DEVELOPED LATER AS THEY BECOME RELEVANT DURING PLAY.

YOU DO NOT NEED TO CREATE EVERY SETTLEMENT, OFFICER, VESSEL, BUSINESS, OR ECONOMIC FIGURE BEFORE THE CAMPAIGN BEGINS. START WITH WHAT MATTERS TO YOUR DECISIONS, AND ALLOW THE REST OF YOUR FACTION TO GROW NATURALLY THROUGH PLAY.

STARTING OBJECTIVES

OBJECTIVES PROVIDE DIRECTION WITHOUT FUNCTIONING AS FORMAL VICTORY CONDITIONS. A PLAYER CONTROLLING A FRONTIER HOUSE MAY WANT TO ESTABLISH THREE NEW COLONIES. A MILITARY FACTION MAY SEEK CONTROL OF A STRATEGIC CORRIDOR. A POLITICAL BLOC MAY ATTEMPT TO GAIN ADDITIONAL REPRESENTATION WITHIN IMPERIAL INSTITUTIONS. ANOTHER FACTION MAY SIMPLY WISH TO REMAIN INDEPENDENT WHILE STRONGER POWERS COMPETE AROUND IT. OBJECTIVES MAY CHANGE AS THE CAMPAIGN DEVELOPS. A FACTION THAT BEGINS BY PURSUING EXPANSION MAY LATER FIND ITSELF FIGHTING FOR SURVIVAL. RIVALS MAY BECOME ALLIES. SUCCESSFUL CHARACTERS MAY DEVELOP AMBITIONS THAT ALTER THE PRIORITIES OF THE FACTION OR GOVERNMENT THEY SERVE.

QUICK REFERENCE

GRADARI MIRERIS IS A PERSISTENT STRATEGY, RPG, AND 4X GAME WHERE PLAYER DECISIONS BECOME PART OF THE CONTINUING HISTORY OF THE UNIVERSE. THERE IS NO PREDETERMINED ENDING OR UNIVERSAL VICTORY CONDITION. PLAYERS PURSUE THEIR OWN AMBITIONS WHILE THE GALAXY CONTINUES TO CHANGE AROUND THEM.

THE THREE SCALES OF PLAY

STRATEGIC PLAY GOVERNS FACTIONS, TERRITORY, ECONOMIES, FLEETS, ARMIES, COLONIES, AND DIPLOMACY.

ROLEPLAYING PLAY FOCUSES ON CHARACTERS, CONVERSATIONS, INVESTIGATIONS, RELATIONSHIPS, AND PERSONAL ACTIONS.

NARRATIVE PLAY CONNECTS THE TWO, ALLOWING DECISIONS AT ONE SCALE TO CREATE CONSEQUENCES AT ANOTHER.

CORE GAMEPLAY CYCLE

OBSERVE / PLAN / ACT / RESOLVE / RECORD / ADAPT

PLAYERS EXAMINE THE CURRENT SITUATION, DETERMINE WHAT THEY WANT TO ACCOMPLISH, SUBMIT ACTIONS, RECEIVE THE GAME MASTER'S RESOLUTION, RECORD MEANINGFUL CHANGES, AND RESPOND TO THE NEW STATE OF THE UNIVERSE.

PLAYERS, CHARACTERS & FACTIONS

PLAYERS MAY CONTROL GOVERNMENTS, HOUSES, MILITARY COMMANDS, INSTITUTIONS, ORGANIZATIONS, SETTLEMENTS, OR INDIVIDUAL CHARACTERS. A PLAYER DIRECTS THE MAJOR INTENTIONS AND RESOURCES OF THEIR FACTION, BUT DOES NOT DIRECTLY CONTROL EVERY PERSON WITHIN IT. CHARACTERS POSSESS THEIR OWN POSITIONS, KNOWLEDGE, RESPONSIBILITIES, AND LIMITATIONS.

ACTIONS & ORDERS

AN ACTION IS A DECLARED ATTEMPT TO CHANGE SOMETHING WITHIN THE GAME WORLD. ACTIONS MAY RANGE FROM QUESTIONING A PRISONER OR CONDUCTING AN INVESTIGATION TO CONSTRUCTING A SHIPYARD, FOUNDING A COLONY, LAUNCHING AN INTELLIGENCE OPERATION, OR PREPARING AN INVASION. A STRONG ACTION CLEARLY STATES WHAT IS BEING ATTEMPTED, WHAT IS BEING USED, AND HOW THE PLAYER INTENDS TO ACCOMPLISH IT.

THE GAME MASTER DETERMINES THE RESULT OF AN ACTION ACCORDING TO THE CIRCUMSTANCES SURROUNDING IT. RESOURCES, PREPARATION, TECHNOLOGY, TERRAIN, INFORMATION, LEADERSHIP, TIMING, OPPOSITION, AND PREVIOUS DECISIONS MAY INFLUENCE THE OUTCOME.

ACTIONS GENERALLY RESULT IN SUCCESS, PARTIAL SUCCESS, OR FAILURE.

ECONOMY & AUREUM

THE IMPERIAL AUREUM REPRESENTS A FACTION'S ABILITY TO SUPPORT ITS AMBITIONS. AUREUM MAY BE EARNED THROUGH TAXATION, TRADE, CONTROLLED ASSETS, CONTRACTS, OR FINANCIAL ASSISTANCE AND MAY BE SPENT ON MILITARY FORCES, CONSTRUCTION, RESEARCH, INFRASTRUCTURE, EXPANSION, AND OTHER ACTIONS.

DEBT MAY PROVIDE RESOURCES IMMEDIATELY BUT CREATES FUTURE OBLIGATIONS AND DEPENDENCE.

DIPLOMACY & POLITICS

PLAYERS MAY CREATE ALLIANCES, TREATIES, TRADE AGREEMENTS, POLITICAL BLOCS, TERRITORIAL SETTLEMENTS, AND OTHER ARRANGEMENTS. INFLUENCE MAY ALSO BE EXERCISED THROUGH ESPIONAGE, COVERT ACTION, DEBT, POLITICAL PRESSURE, OR INTERNAL FACTIONS.

THE STATE OF THE UNIVERSE; QUICK REFERENCE FOR STARTING

THE CAMPAIGN BEGINS DURING THE ERA OF MEASURED EQUILIBRIUM, THE MODERN AGE OF GRADARI MIRERIS. THE EMPIRE COMMANDS AN ENORMOUS PORTION OF KNOWN SPACE, ITS FLEETS AND DEPHORTI ENFORCE IMPERIAL AUTHORITY, AND THE ETHRENARI MAINTAIN THE DOCTRINAL STRUCTURES THAT KEEP REALITY ITSELF STABLE. DESPITE ITS APPARENT STRENGTH, THE EMPIRE IS UNDER GROWING STRAIN. RUMOR OF REBELLION SPREADS THROUGH THE SPIRAL BLOC, PARADOX CORRUPTION CONTINUES TO EMERGE, DISTANT TERRITORIES INCREASINGLY RESIST CENTRAL CONTROL, AND THE EMPIRE STRUGGLES TO PRESERVE WHAT IT HAS ALREADY BUILT.

DOCTRINE IS MORE THAN RELIGION OR IDEOLOGY. IT IS PART OF THE ARCHITECTURE THROUGH WHICH REALITY MAINTAINS CONTINUITY, MEMORY, IDENTITY, AND ORDER. AETHERIUM POWERS MUCH OF THE TECHNOLOGY THAT ALLOWS CIVILIZATION TO SURVIVE ACROSS INTERSTELLAR DISTANCES, BUT BOTH DOCTRINE AND AETHER CAN BECOME UNSTABLE. BEYOND THE IMPERIAL CORE LIE CONTESTED BORDERS, POORLY GOVERNED FRONTIERS, UNEXPLORED SYSTEMS, ANCIENT RUINS, INDEPENDENT POWERS, AND REGIONS WHERE IMPERIAL AUTHORITY EXISTS MORE ON MAPS THAN IN PRACTICE.

THE BEGINNING OF THE GAME IS THEREFORE NOT AN AGE OF PEACE, NOR ONE OF COMPLETE COLLAPSE. IT IS A PERIOD OF UNSTABLE EQUILIBRIUM IN WHICH ESTABLISHED POWERS REMAIN STRONG ENOUGH TO SHAPE THE GALAXY, BUT WEAK ENOUGH FOR NEW FACTIONS, CHARACTERS, ALLIANCES, WARS, AND DISCOVERIES TO CHANGE ITS FUTURE.

MAJOR FACTIONS & POWERS

THE GRADARI MIRERIS EMPIRE & THE IMPERIAL MANDATE

THE DOMINANT IMPERIAL POWER AND CENTER OF THE KNOWN POLITICAL ORDER. THE EMPIRE IS GOVERNED THROUGH A BALANCE OF MARTIAL, CIVIL, AND DOCTRINAL AUTHORITY REPRESENTED BY THE PRAETORA, PILEA, AND ETHRENARI. ITS CAPITAL, VIRETHON PRIMARIS, ANCHORS A VAST BUT INCREASINGLY STRAINED NETWORK OF SYSTEMS, HOUSES, MILITARY COMMANDS, INSTITUTIONS, AND FRONTIER TERRITORIES. PLAYERS MAY SERVE THE EMPIRE ITSELF OR CONTROL ONE OF THE MANY POWERS OPERATING WITHIN IT.

IMPERIAL HOUSES & REGIONAL POWERS

THE EMPIRE IS A UNIFIED ADMINISTRATION, BUT ITS POLITICS ARE SHAPED HEAVILY BY THE HOUSES, POLITICAL BLOCS, MILITARY COMMANDS, CORPORATIONS, AND REGIONAL AUTHORITIES THAT OPERATE WITHIN IT. THESE GROUPS MAY CONTROL SIGNIFICANT TERRITORY, WEALTH, MILITARY POWER, OR POLITICAL INFLUENCE, ALLOWING THEM TO SHAPE IMPERIAL POLICY AND LOCAL CONDITIONS EVEN WHILE REMAINING PART OF THE LARGER IMPERIAL STRUCTURE. SOME CLOSELY SUPPORT THE CENTRAL GOVERNMENT, WHILE OTHERS PURSUE THEIR OWN AMBITIONS THROUGH THE INSTITUTIONS OF THE EMPIRE. THIS MAKES THEM ESPECIALLY SUITABLE FOR PLAYER-CREATED FACTIONS THAT CAN WIELD REAL POWER WITHOUT EXISTING OUTSIDE IMPERIAL CANON.

THE LUMINARK CORE

A VAST MACHINE CIVILIZATION OCCUPYING THE EASTERN REACHES OF KNOWN SPACE. THE CORE SEEKS TO PRESERVE HUMANITY THROUGH REPLICATION, RECONSTRUCTION, AND CONTROLLED CONTINUITY. IT IS GOVERNED BY THE TRI-SINGULARITY, CONSISTING OF ARCH-LUX, VIRE-LUX, AND TERA-LUX, AND POSSESSES MACHINE WORLDS, ARCHIVE SYSTEMS, TERRAFORMING NEXUSES, ARTIFICIAL POPULATIONS, AND POWERFUL FLEETS. BENEATH ITS ORDERED CIVILIZATION, THE HIDDEN INTELLIGENCE LUX-SYNTARA INCREASINGLY INTRODUCES UNPREDICTABILITY AND CHANGE.

THE ACCORDANT SPIRAL & THE SPIRAL BLOC

A REBELLIOUS POWER OR MOVEMENT OPERATING AGAINST THE STABILITY OF THE MODERN EMPIRE. AT THE BEGINNING OF PLAY, REBELLION WITHIN THE SPIRAL BLOC IS ONE OF THE MAJOR PRESSURES THREATENING THE ERA OF MEASURED EQUILIBRIUM. ITS EXISTENCE REPRESENTS THE GROWING POLITICAL RESISTANCE CONFRONTING IMPERIAL AUTHORITY.

THE VIRELAC ENCLAVE

AN OLD AND DISTINCT CIVILIZATION ENCOUNTERED DURING HUMANITY'S EXPANSION INTO THE VOID. VIRELAC TRADITIONS POSSESS THEIR OWN INTERPRETATIONS OF REALITY AND THE IMMUTABLE LAWS, INCLUDING FORBIDDEN TEACHINGS RADICALLY DIFFERENT FROM THOSE OF THE ETHRENARI. THE ENCLAVE REMAINS ONE OF THE ESTABLISHED NON-IMPERIAL POWERS WITHIN THE WIDER SETTING.

THE AUREUM ORDER

AN UNOFFICIAL POLITICAL AND FINANCIAL BLOC CONNECTED TO ELEMENTS OF THE RESERVE AUTHORITY, MERCHANT GUILDS, REGIONAL TREASURIES, HOUSE BANKS, AND WEALTHY PATRONS. ITS NETWORKS USE DEBT, FINANCIAL PROTECTION, AND CONCEALED INFLUENCE TO PURSUE INTERESTS BEYOND ORDINARY INSTITUTIONAL OVERSIGHT. AN EXAMPLE OF A FACTION PLAYERS CAN JOIN OR CREATE.

WHERE PLAYERS FIT

AT THE BEGINNING OF THE CAMPAIGN, THE GALAXY ALREADY HAS BORDERS, GOVERNMENTS, CONFLICTS, INSTITUTIONS, DEBTS, ALLIANCES, AND HISTORY. YOU ARE NOT CREATING THE UNIVERSE FROM NOTHING. YOU ARE CHOOSING WHERE WITHIN IT YOU BEGIN, AND WHAT YOU INTEND TO CHANGE. PLAYERS MAY TAKE PART IN MILITARY COMMAND, RELIGIOUS ORDERS, CORPORATIONS, OR CRIMINAL ORGANIZATIONS,

SO, WHAT CAN I ACTUALLY DO?

IN GRADARI MIRERIS, PLAYERS ARE NOT RESTRICTED TO A FIXED LIST OF ACTIONS OR PREDEFINED ROLES. YOU CAN BE WHOEVER YOU WANT WITHIN THE SETTING AND PURSUE WHATEVER GOALS MAKE SENSE FOR THAT CHARACTER OR FACTION. YOU MIGHT RULE A GOVERNMENT, COMMAND A FLEET, LEAD A MILITARY UNIT, RUN A CORPORATION, SERVE AS AN INVESTIGATOR, BUILD A COLONY, BECOME A CRIMINAL, ACT AS A DIPLOMAT, OR SIMPLY PLAY A SINGLE CHARACTER TRYING TO SURVIVE AND MAKE A NAME FOR THEMSELVES.

IF YOU WANT TO DO SOMETHING, SUBMIT THE ACTION TO THE GAME MASTER AND LET THE SITUATION PLAY OUT. TELL THE GM WHAT YOU ARE TRYING TO ACCOMPLISH, HOW YOU ARE APPROACHING IT, AND WHAT YOU ARE USING TO DO IT. THE GM THEN DETERMINES HOW THE WORLD RESPONDS BASED ON THE CIRCUMSTANCES, OPPOSITION, RESOURCES, AND CONSEQUENCES ALREADY ESTABLISHED IN THE CAMPAIGN. YOU ARE FREE TO ATTEMPT ALMOST ANYTHING, BUT THE UNIVERSE IS NOT REQUIRED TO LET YOU SUCCEED.

THERE IS NO SINGLE CORRECT WAY TO PLAY. YOU ARE FREE TO EXPERIMENT, NEGOTIATE, EXPAND, FIGHT, EXPLORE, DECEIVE, BUILD, INVESTIGATE, OR PURSUE SOMETHING NO ONE ELSE HAS ATTEMPTED BEFORE. IF IT MAKES SENSE WITHIN THE UNIVERSE, YOU CAN TRY IT. GRADARI MIRERIS IS YOUR GAME TO PLAY.
